

Sunray High School

Sid Whiteley- Sunray High School Principal

May Board report

1. EOC testing ended last Wednesday. We were supposed to test 15 ELA 1 kids, 7 Algebra 1 kids, 1 Biology, 7 ELA 2, and 1 Biology. Most showed up to take the test, all did not, but if they failed again or did not show to take they will be put into "Prep" class for EOC with Kim Lee.
2. Trip to Spain in summer of 2016 – Nicole Spurlock will be here next month if there are any questions. I can answer the basics tonight and wants to know about certain types of fundraising is allowed or approved
3. Hopefully yall will approve our Math teacher/Coach we recommended for tonight Tamahara Burdge.
4. Scheduling is nearly done, but waiting on something from Region 16 to happen.
