"OUR MISSION IS TO PROVIDE A SAFE AND STIMULATING  
LEARNING COMMUNITY FOR ALL STUDENTS"

## PRINCIPAL'S MESSAGE

By Casey Alderson, Principal

Spring is here! After a month of fantastic weather at Illinois Valley High School, our students are ready for the last trimester of the 2012-13 school year. The third trimester brings a lot of excitement for students who are working hard to graduate, complete state testing, or work at passing their classes.

In the third trimester, we have lots of exciting opportunities for students. We will begin the process of selecting

students for **Academic Masters**, which will be held at North Valley High School on May 1<sup>st</sup>, District-wide Spelling Bee, and the Cougar Trek field trip to the Oregon Coast.

We also have a lot of new enrichments for our students on Success Wednesdays: **Sign Language, Mountain Biking, Trail Hiking, Field Sports, and Music Through Film.** Our Success Wednesday's intervention time has decreased the number of Incompletes and failing grades by 25%. Students are able to get the support they need during the school day and retake assessments in order to reach

proficiency in their classes.

Senior parents, please discuss with your student their progress towards graduation. A number of students are still working hard meeting the Essential Skills necessary to receive a Diploma. In order to graduate, the class of 2013 must pass their **OAKS** state testing in Reading and Writing as well as meet the 27 credits. Please contact Patrice Tucker in counseling if you have any questions.

Have a great spring!  
Casey Alderson

## AFTER SCHOOL TUTORING & HOMEWORK HELP

We now offer after school homework help **three** nights a week from 3:45—5:30.

The afterschool bus will transport students, **per the "Straight-Line" bus route**, Monday through Thursday. Students who are staying for after-school tutoring and are riding the bus are expected to stay in the classroom the entire time. Students who are walking, being picked up, or driving themselves may leave when they are finished working. **Students may not leave the campus and return later.** Students are given a 15 minute break and snack about 4:30. There is no cost for this snack.

**No student will be allowed to ride the activity bus if they are not in an after school program or a sport.**

We will tell the bus drivers to transport the student

home, but a referral will be written, followed by consequences.

Students are required to sign in and out. If you are assuming your child is coming to after-school, you may call the school the following day to check on attendance. Many students could benefit from this extra help, so encourage your students to attend if they need the extra help.

Additionally, the computer lab is open every night between 3:30 and 4:15 Monday—Friday for student use. This time is intended for school related research and typing of reports and papers.

## STUDENT CHECK-OUT PROCEDURES & CLARIFICATION

An **Emergency Contact person**, for student enrollment purposes, is:

Someone that you, as the Parent/Guardian, will list on their enrollment form in the event of an emergency. The office staff will **ONLY** use this contact **IF** an emergency arises, **AND** you or the regular contacts **CANNOT** be reached.

Emergency Contact persons **do not** have permission to randomly check your son or daughter out of school **WITHOUT** your **VERIFIED** permission.

We will not release a student to  
someone listed as an  
EMERGENCY contact  
without your permission.

## PROFICIENCY-BASED LEARNING

Three Rivers School District has made a professional development commitment which has involved grant-based support, teachers' personal and professional investment and Professional Learning Communities beginning to adopt a Proficiency-Based approach to most of our core subjects. This change is the result of national and state guidelines giving more-explicit (and accountable) standards of content material and performance level through both performance and assessments. If your student is in one of those courses, it would be worth the time to review the syllabus from those courses, as well as the grading guidelines which may be reflected in your students' Progress Report and/or grades.

### In short, the shift involves the following key components:

1. Homework/Practice Work is given to help students through the exploration and acquisition phase of their learning. As they approach proficiency in a given standard, additional opportunities are provided for those who need more practice to be ready for the standard's assessment opportunities. Generally, this work comprises a smaller percentage of a student's grade and is graded on completion/participation.
2. Assessments are given as the larger portion of the student's grades. There are multiple chances to pass the standard and generally the grade is a reflection of either a composite score of the assessment efforts (a blend) or as the higher score. Assessments may take the form of speeches, projects, activities or traditional exams.
3. Grades may change quickly/dramatically based upon the number of assessments the course has covered to date and the makeup-retake opportunities the student has taken advantage of.

If your student is being assessed based on proficiency in one or more of their classes, your student's teachers can explain this in greater detail. Please call/email the school for more information.

## ACADEMIC MASTERS

**School Competition – April 1st - 5th at IVHS**

**RCC Written testing—April 15th**

**County Competition – May 1st— North Valley High School**

Academic Masters is a great competition that will celebrate its 26th contest this year. Grants Pass businesses first envisioned this as a way to celebrate and inspire students in the four high schools in the county who are willing to stretch themselves academically and intellectually.

IVHS is going to hold a pre-contest to choose the five young people who will represent our school. This event will be the week of **April 1st through 5th**. Three or four candidates will compete in each of the five areas: math, science, social studies, English, and music. Judges will score the performances and a winner will be named. All competitors (except the winners) will be given a prize of \$25.00.

Once our five students are chosen, they will go to RCC on **April 15th** to take a written test designed by RCC instructors that will be a major factor in the scoring for the final competition. At the competition on May 1st, students are given a problem to solve, a question to answer, or in the case of music, an opportunity to perform. Students present to the entire audience and are scored on presentation and the correctness of the answer. The presentation and the written test together create an overall score. Students are awarded cash prizes: first through fourth place. All contestants will receive at least \$25 for competing. Not bad for a night's work!

The final contest this year will be at North Valley High School, beginning at 6:30 PM. IVHS can also earn \$250 for having the most people in the audience in comparison to the size of the school, so we encourage students to come support the kids in this endeavor. We are planning to run a supporter bus into town and back if there is enough student interest.

## COMMUNICATIONS: SYNREVOICE—AUTOMATED VOICE MESSAGING

After receiving an automated call concerning your student's absences from our new phone messaging system, Synervoice, please call the school the next morning to clear your student's absences. The number is 541-592-2116; ask for the attendance office. It is very important for you and your student to have these absences cleared. Students end up doing lunch detentions for un-cleared absences.

We will sometimes use Synervoice to send out important messages about school closures and school events. When you get a call from the school using Synervoice, it is important that you

say "hello" as this triggers the message. If you have voicemail, it will leave a message. If you have email registered with the school, we will often send emails as well.

## News from Counseling...

Patrice Tucker, Counselor; Tara Thornhill, Registrar;  
Barbara Gamble, Scholarship Coordinator; Constance Bates, ASPIRE Coordinator

### ASPIRE RESOURCES

IVHS has many resources for students who are interested in pursuing further education after high school. Through our **ASPIRE** program, students and parents can receive one-on-one mentoring on college and technical school options, admissions, financial aid and scholarships. **ASPIRE** is open to all students. To sign up see Ms. Bates in the Career Center.

### FAFSA

Register for your FAFSA pin number at [www.pin.ed.gov](http://www.pin.ed.gov) and have your student ALSO register for a pin of his/her own. Plan to submit your FAFSA in the first week or two of January; the sooner you complete the form, the sooner the four year colleges will be able to send you their financial aid offer. The online application to complete the FAFSA is: [www.fafsa.ed.gov](http://www.fafsa.ed.gov)

### Apply to Colleges

Don't forget to get your applications for admissions and scholarships in by school's deadlines. Many early admission dates were in November, and many more dates are set for Feb. 1 or Feb. 15. Check the admission deadlines at the colleges that you are interested in. If you qualify for free or reduced lunch, you may qualify for a deferral of application fees. See Ms. Thornhill in the Counseling Center.

Last, but not least, encourage your student to keep his/her grades and courses challenging all through to the end of the year. Student's end of the year transcripts will be going to their colleges of choice, and they could lose out on a d m i s s i o n / a i d packages if they let grades/coursework slip too far. U of O no longer accepts any students who graduate early just to get out of finishing the school year. Sticking it out and finishing strong is very much in

your student's best interest if a four year school is in the plans.

### SAT

Students planning on going to universities need to register to take the SAT exams. Go to [www.Collegeboard.org](http://www.Collegeboard.org) to register for an upcoming exam. IVHS will proctor the SATs on May 4th. The deadline to register for the May exam date is April 5th. It is recommended that Juniors take the exam in the spring, and once again as Seniors in the fall.

We know an education is the best gift we can give our children. We also know that healthy kids learn better and healthy kids start with health coverage that their families can afford.

Healthy Kids is Oregon's newly expanded no-cost and low-cost health coverage program for uninsured kids and teens up to 19 years of age. Healthy Kids is comprehensive coverage offering medical, dental, vision, prescription, and behavioral health coverage.

No family makes too much money for Healthy Kids. Parent's income will determine whether a child is eligible for the no-cost or low-cost coverage option. For example, a family of four that earns as much as \$67,200 a year may qualify for low-cost coverage.

## IMPORTANT ATTENDANCE REMINDER

Dear Parents/Guardians,

Just a note from the attendance office:

When your student is out all day or late to school please call or send a note concerning your student's absences. If you need to check your students out early please sign your student out in the main office on our sign out sheet. From that sheet I clear the period absences for that day. You may reach me at 541-592-2116 asking for the attendance office. You may also e-mail [mary.paul@threeivers.k12.or.us](mailto:mary.paul@threeivers.k12.or.us) concerning your student's absences. I welcome all calls and e-mails. If I can be of help in any way please feel free to contact me.

Thank you,

Mrs. Paul, Attendance Office/Ed Lab

There are three ways to contact an IVHS teacher:

1. Email—can be accessed on webpage. Email addresses are all in this format: [firstname.lastname@threeivers.k12.or.us](mailto:firstname.lastname@threeivers.k12.or.us)
2. Call the school and leave a message.
3. Call their school cell phone. Teachers will not be able to answer during the school day, but if you leave a message, they will return your call within 24 hours.

# TO CONTACT A TEACHER

## ATTENDANCE PROCEDURE FOR AN ABSENCE

- ⇒ When your child is absent, please call the school, asking for the attendance office, PRIOR to the end of the school day, or the morning of the FOLLOWING day. If this is not possible, send a note with your child the day they return to school.
- ⇒ **All absences must be cleared within three days of your child returning to school. Otherwise the absence will become unexcused. It is essential that you take care of this.**
- ⇒ It is the student's responsibility to ask teachers for missed work. For work that is missed for excused, school related or verified absences you will be allowed **two days** for each day absent in which to make up the work assigned during the absence.
- ⇒ For Extended absences (three or more days), where the illness or injury is of such a nature that students are able to do their homework, homework requests will be honored. The parents/guardians should contact the school office to arrange to periodically pick up homework assignments. Please allow at least one school day for the homework to be turned in by your students teachers.
- ⇒ For a Contracted Absence (prearranged), pick up a "Contracted Absence Form" from the main office. You will need to present a note to the office verifying the absence prior to receiving the form. It is the students responsibility to take the form to all of the teachers for approval and assignments. The student must return the completed form to the office for administrative approval. You can then take some of your schoolwork with you and do it before you return.

## INCLEMENT WEATHER PROCEDURES

If inclement weather exists, or is forecast to exist in our school district the feasibility of providing home-to-school transportation will be discussed between the First Student busing Manager and the Director of Transportation no later than 5:30 AM.

The Director of Transportation will recommend a course of action (delay the start of school(s), close school(s), or keep school(s) open) to the Superintendent.

**Utilizing the new *Synrevoice* automated calling system, all staff, parents, substitute teachers and media will be notified of the decision. The calling system sends messages both by e-mails and telephone calls (*these calls could begin as early as 5:30 AM*).**

***Important note about the calling system:*** It is voice activated, so the system must hear a voice when calling. This can be a live person answering the phone, your voice mail, or an answering machine. But it will not activate simply upon lifting the receiver on the phone and just listening without saying anything.

**This is an automated system; an attempt to call back the identified number will not be successful. Please take the time to listen to any message left in its entirety.**

All closures and/or delays will also be posted on our District website.

If a two-hour delay is announced in a particular school or area, then school will start two hours later than the regularly scheduled time. All bus pick-up times will be two hours later than normal. School will conclude at its regular time.

You are also advised to tune in to radio stations KAJQ, KLDR, KRWQ and KBOY and TV stations KOB (5), KDRV (12) and KTVL (10) for updates and in the event you don't have phone or internet service.

Athletic activities, school events and other scheduled field trips could be canceled if inclement weather is a concern.

Sometimes weather conditions leave some roads blocked or unsafe to travel, but school is still being held. Under these circumstances "straight line routes" will be run. Please refer to the "Straight Line Bus Route" attachment for your attendance area for this information.

If you live on one of the roads the buses cannot travel, you may bring your student to the nearest intersection of the main road traveled. This will also be the stop for the afternoon drop off.

**PROGRAM TO HELP HOMELESS STUDENTS AND FAMILIES**

Dear Parents/Guardians,

I am Barbara Gamble, the Family Advocate for Illinois Valley High School. The purpose of the Family Advocate is to help students overcome barriers to success. I will help students acquire jackets, clothes, school supplies, hygiene supplies, glasses, dental appointments, haircuts, etc. I will also advocate for students: For example, helping them get testing or counseling, acquiring birth certificates, arranging for extra tutoring and other related services.

In addition, there is a federal law called the **McKinney-Vento** which gives additional assistance to students that meet the federal definitions of "homeless" these include:

- Living in a home with no heat or running water
- Staying with friends or other relatives due to economic hardships or loss of housing
- Fleeing a domestic violence situation
- Living in a car, van, bus, tent or other non-permanent structure

Living in one of the above situations may also entitle a student to:

- Transportation to their home school should homelessness require a move
- Immediate enrollment, even if there are issues, such as not having in hand:
  - A birth certificate(s) for the child (ren)
  - Immunization forms

Please help me identify any students with specific needs that may be in your care. Do you have a student that may benefit from the services listed above? If so, please list the student's name and specific needs.

Añadiendo, hay una ley federal llamada **Mckinney-Vento** que proporciona asistencia adicional a los estudiantes que reúnen las definiciones federales de "sin hogar" estas incluyen:

- Vivir en una casa sin calefacción o sin agua

# RESOURCES FOR STRUGGLING STUDENTS AT IVHS

## FOR STUDENTS WITH FAILING GRADES IN CORE CLASSES

If your student received a failing grade in core classes (math, language arts, social studies, health, and science), he or she has the option of repeating that class in the regular setting or retrieving the credit in credit make up. For students who have failed multiple classes over time, the only way for them to graduate with their class is to do credit makeup. Credit make up is available:

Monday – Thursday from 8:15 – 8:45 AM

Monday – Thursday from 3:45 – 5:00 PM

Please contact the school to get your student registered into one (or both) of these times. Contact Patrice Tucker in counseling for assistance with this.

There will be afterschool bussing Monday through Thursday. The bus will leave the high school at 5:45 PM. Students who need to ride the bus and who are doing credit make-up may move into Homework Help from 5:00– 5:30.

## HOMEWORK HELP

Afterschool homework help will be available on Monday's, Tuesday's and Thursday's from 3:45—5:30 with bussing available Monday through Thursday evenings. Students can do their homework during this time with assistance from a teacher.

## COMPUTER LAB

The computer lab is available Monday – Friday before school from 8:15 – 8:45 AM and afterschool from 3:45—4:15 PM. The lab can be used to do internet research, use Google Docs or Moodles to communicate with teachers, or to type reports and other assignments. Students may not use the lab for playing computer games, downloading music, or doing social networking.

## ADVOCATES

We have three staff members who will help your students if they are struggling. They can set them up on a daily or weekly check-in and can communicate with you concerning their progress.

Jennifer Fredericks

Ray Yarbrough

Barbara Gamble

Please feel free to call these folks if you would like them to help intervene.

## PARENT ASSIST

If you have not signed up for Parent Assist through the Internet, call Robin Jackson at 541-592-2116 for assistance. Parent Assist allows you to check on your student's progress in their classes on a weekly basis. Usually, grades are updated each Tuesday.
