DISTRICT 70 BOARD OF EDUCATION

Libertyville School District 70
d70schools.org

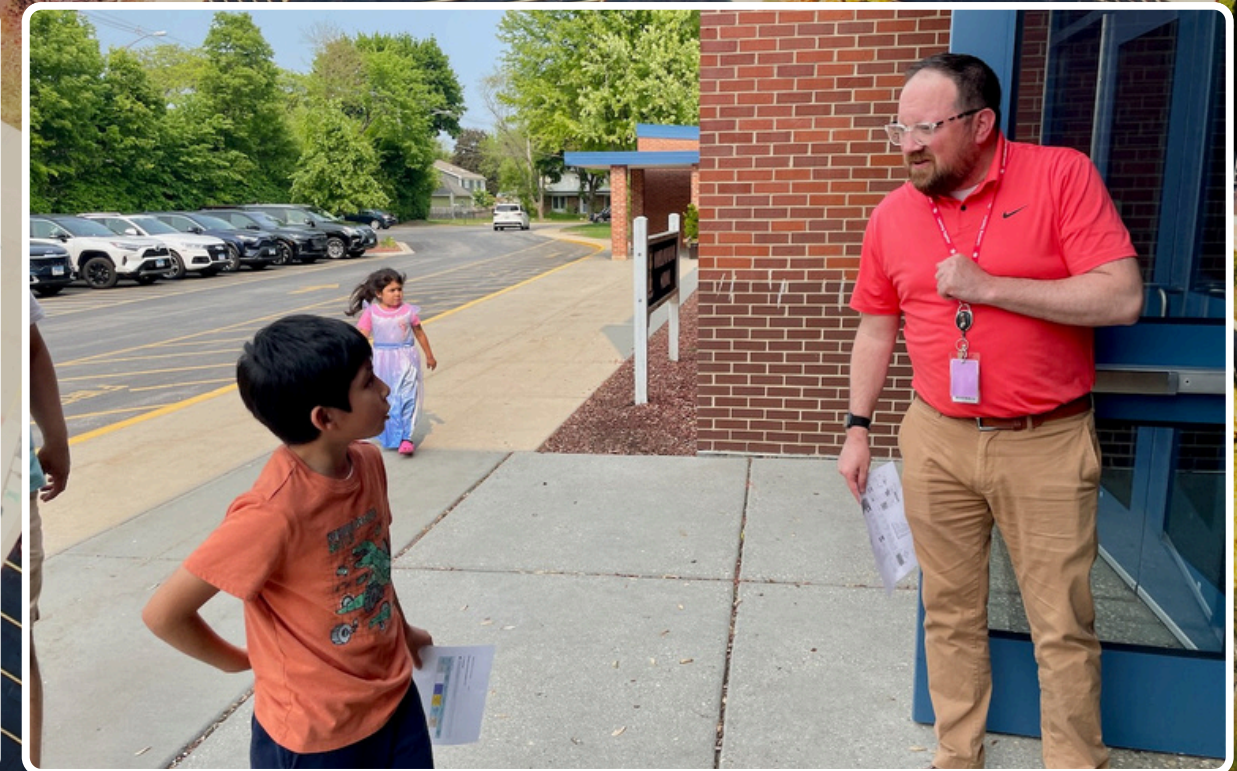

An aerial photograph of a school campus. In the center, a large white rectangular box with a black border contains the text 'SUPERINTENDENT'S REPORT'. Below this box, the date 'JUNE 23, 2025' is written. The background shows a school building with a brown roof, a large parking lot, a playground with colorful equipment, and a basketball court. There are many trees with autumn foliage in shades of yellow, orange, and red. A road with a few cars is visible on the left, and a large green field is on the right.

SUPERINTENDENT'S REPORT

JUNE 23, 2025

The doors of Copeland Manor were open to D70 students & families on June 3 for the Summer School Open house!

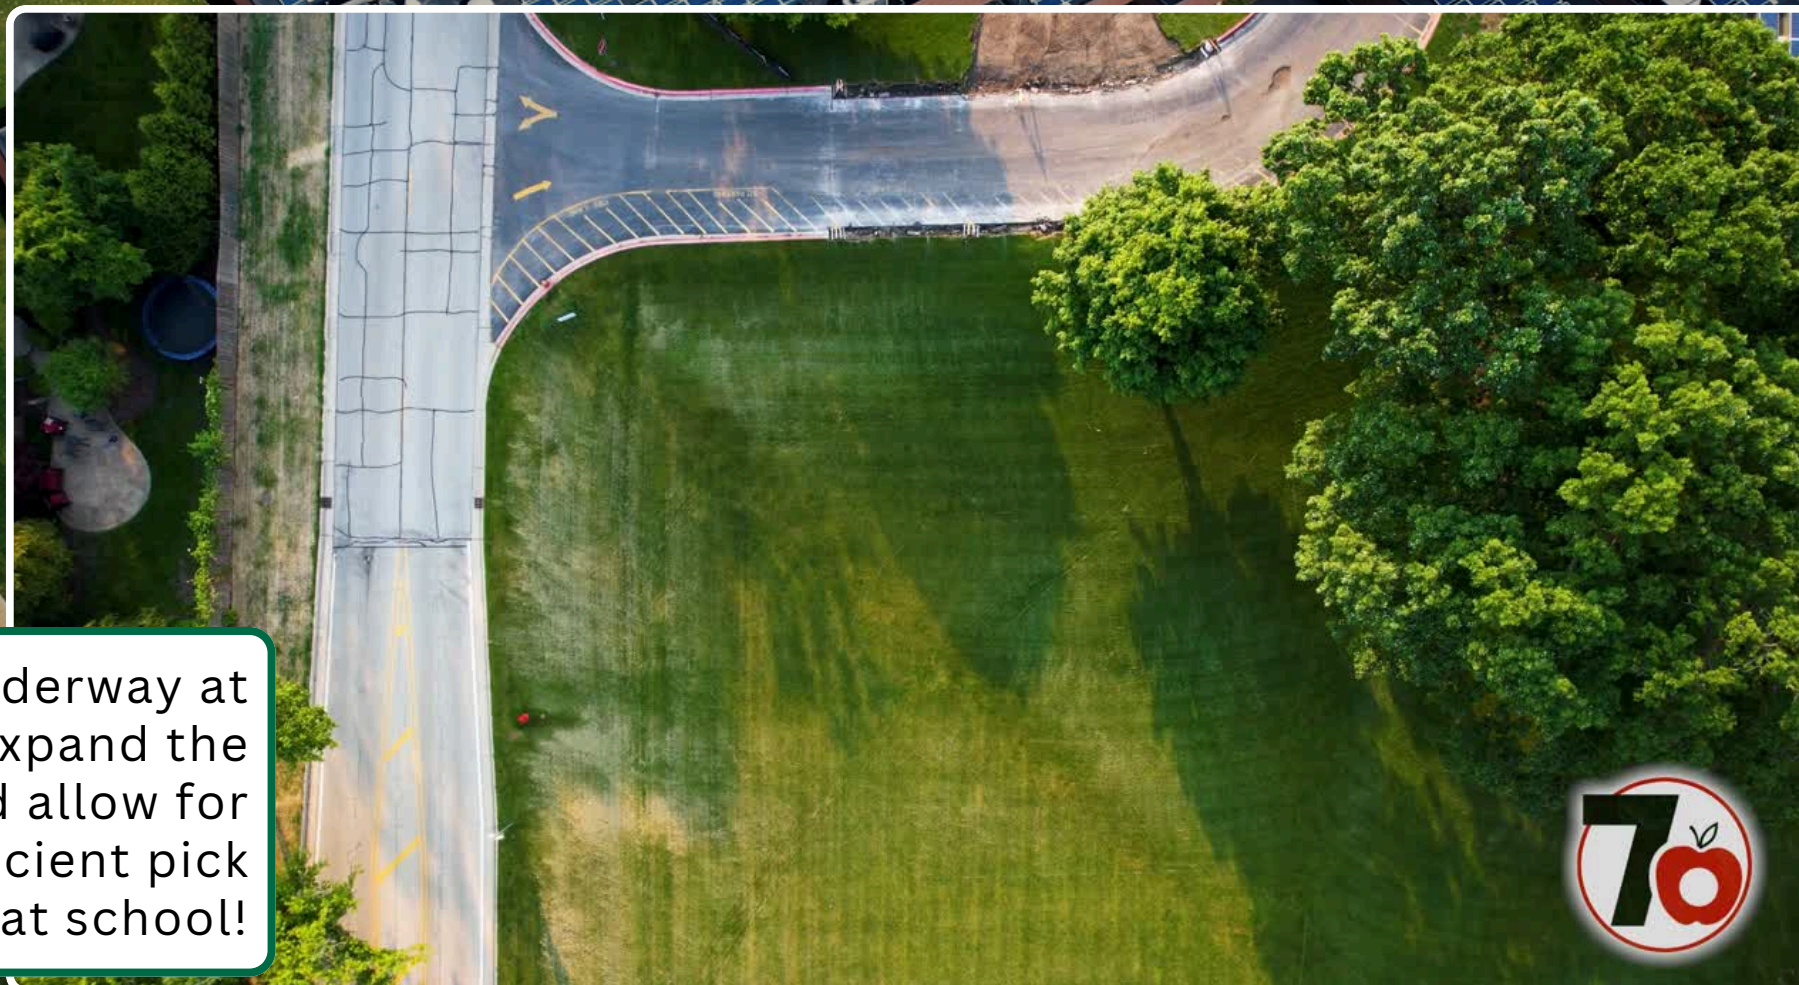

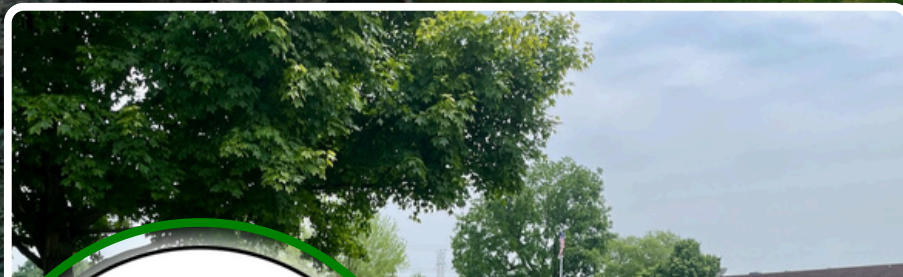

The rain couldn't dampen Summer School excitement! Students and staff arrived with bright smiles for the first day of Summer School on June 4

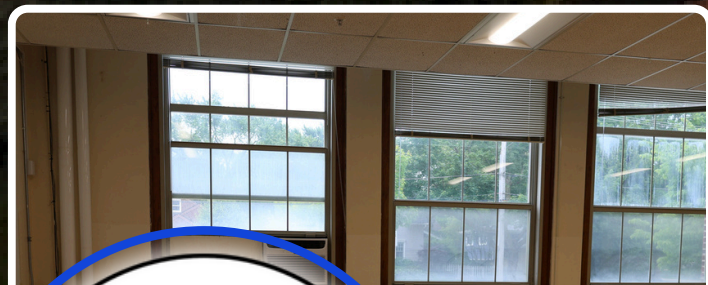

The rain couldn't dampen Summer School excitement! Students and staff arrived with bright smiles for the first day of Summer School on June 4

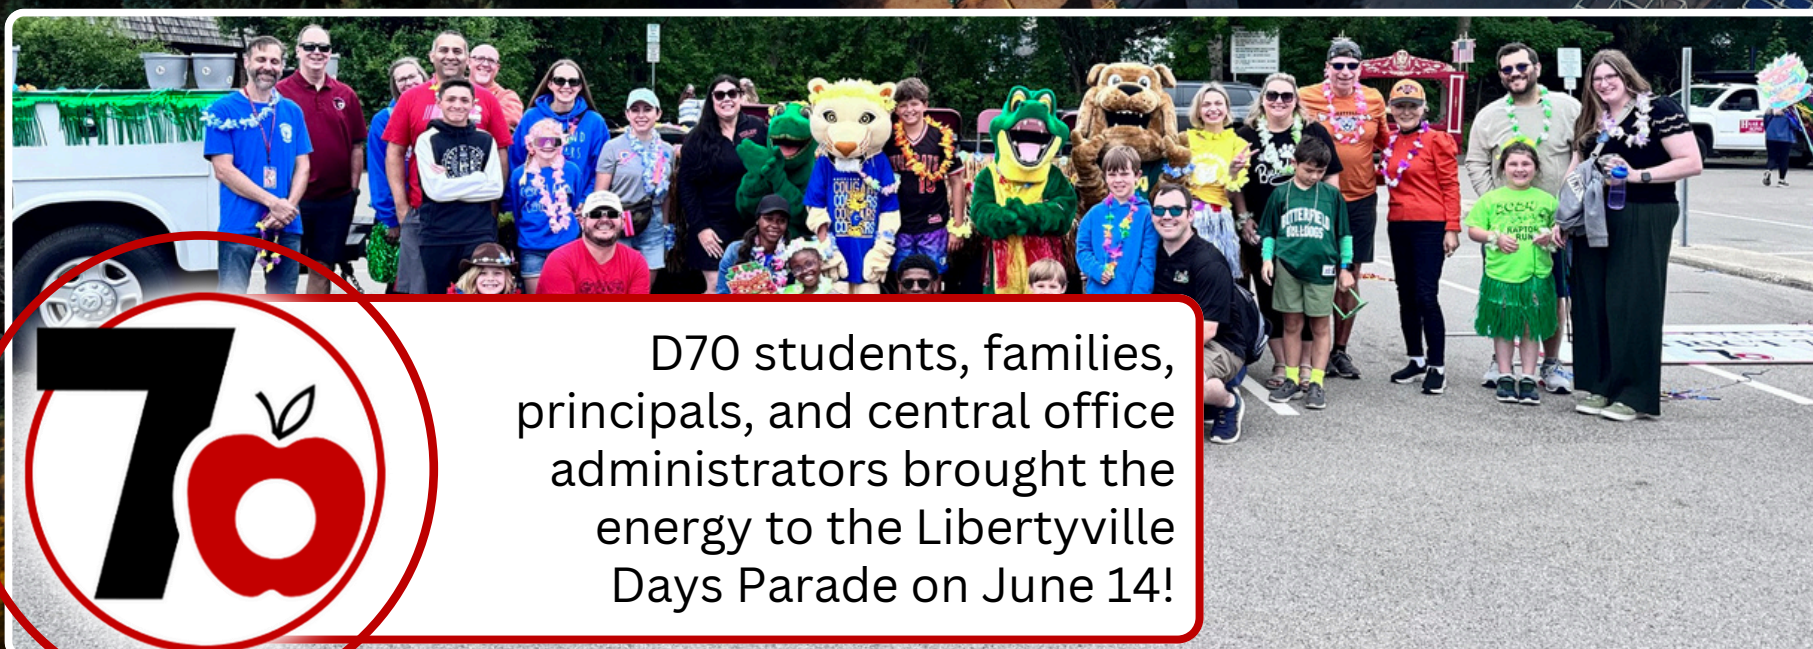

Construction is underway at Butterfield to expand the parking lot and allow for safer & more efficient pick up & drop off at school!

Construction is rolling at Rockland to remove asbestos in the ceilings & floors, and renovate classrooms built in the 1920s! The renovations uncovered some beautiful plywood flooring that will be recovered!

D70 students, families, principals, and central office administrators brought the energy to the Libertyville Days Parade on June 14!
