The County owns the Election Systems & Software EVS 6020 Voting System consisting of the ExpressVote Ballot Marking Device, the ExpressTouch electronic tabulation device, the DS-200 Precinct Tabulator, and the DS-450 Central Scanner and tabulator, which have been duly approved by the Secretary of State pursuant to Texas Election Code Chapter 122 as amended, and is compliant with the accessibility requirements set forth by Texas Election Code Section 61.012. NOW THEREFORE, in consideration of the mutual covenants, agreements, and benefits to the parties, IT IS AGREED as follows:

### I. ADMINISTRATION

The parties agree to hold a "Joint Election" in accordance with Chapter 271 of the Texas Election Code and this agreement. The Fort Bend County Elections Administrator, hereinafter referred to as "Elections Administrator", shall coordinate, supervise, and handle all aspects of administering the Joint Election as provided in this agreement. Political Subdivision agrees to pay the County for equipment, supplies, services, and administrative costs as provided in this agreement. The Elections Administrator shall serve as the administrator for the Joint Election; however, the Political Subdivision shall remain responsible for the lawful conduct of its election. The Elections Administrator shall provide advisory services in connection with decisions to be made and actions to be taken by the officers of the Political Subdivision.

It is understood that other political subdivisions may wish to participate in the use of the County's electronic voting system and polling places, and it is agreed that the County may enter into other joint election agreements and contracts for election services for those purposes on terms and conditions generally similar to those set forth in this contract. Political Subdivision agrees that the County may enter into joint election agreements with other political subdivisions that may have territory located partially or wholly within the boundaries of Political Subdivision, and in such case all parties sharing common territory shall share a joint ballot on the County's electronic voting system at the applicable polling places. In such cases, costs shall be pro-rated among the participants according to Section X of this contract.

At each polling location, joint participants shall share voting equipment and supplies to the extent possible. The participating parties shall share a mutual ballot in those precincts where jurisdictions overlap. However, in no instance shall a voter be permitted to receive a ballot containing an office or proposition stating a measure on which the voter is ineligible to vote. Multiple ballot styles shall be available in those shared polling places where jurisdictions do not overlap.

## II. LEGAL DOCUMENTS

Political Subdivision shall be responsible for the preparation, adoption, and publication of all required election orders, resolutions, notices, and any other pertinent documents required by the Texas Election Code and/or Political Subdivision's governing body, charter, or ordinances.

**Preparation of the necessary materials for notices and the official ballot shall be the responsibility of Political Subdivision, including translation to languages other than English.** Political Subdivision shall provide a copy of their respective election orders and notices to the Elections Administrator.

## III. VOTING LOCATIONS

The County has adopted a countywide polling place program. Voters who reside in Fort Bend County who wish to participate in this Joint Election may cast a ballot at any polling place open for this election. Voters who do not reside in Fort Bend County but within the boundaries of Political Subdivision and wish to participate in this Joint Election shall be assigned to one Early Voting and one Election Day polling location. The Elections Administrator shall select and arrange for the use of and payment for all Election Day voting locations. The proposed voting locations are listed in Attachment A of this agreement. In the event a voting location is not available, the Elections Administrator will arrange for use of an alternate location with the approval of the Political Subdivision. The Elections Administrator shall notify the Political Subdivision of any changes from the locations listed in Attachment A.

If polling places for the November 4, 2025 joint election are different from the polling place(s) used by Political Subdivision in its most recent election, the County agrees to post a notice no later than November 4, 2025 at the entrance to any previous polling places in the jurisdiction stating that the polling location has changed and stating the polling place names and addresses in effect for the November 4, 2025 election.

## IV. ELECTION JUDGES, CLERKS, AND OTHER ELECTION PERSONNEL

The County shall be responsible for the appointment of the presiding judge and alternate judge for each polling location in accordance with Chapter 32 of the Texas Election Code. The Elections Administrator shall make emergency appointments of election officials if necessary.

Upon request by the Elections Administrator, Political Subdivision agrees to assist in recruiting polling place officials who are bilingual (fluent in both English and Spanish).

The Elections Administrator shall notify all election judges of the eligibility requirements of Subchapter C of Chapter 32 of the Texas Election Code, and will take the necessary steps to ensure that all election judges appointed for the Joint Election are eligible to serve.

The Elections Administrator shall arrange for the training and compensation of all election judges and clerks. The Elections Administrator shall arrange for the date, time, and place for presiding election judges to pick up their election supplies. Each presiding election judge will be sent a letter from the Elections Administrator notifying the person of the appointment, the time and location of training and distribution of election supplies, and the number of election clerks that the presiding judge may appoint.

Each election judge and clerk will receive compensation at an hourly rate established by the County pursuant to Texas Election Code Section 32.091. Judges and Clerks will be compensated for actual time working at a polling place, time spent preparing the polling location prior to Election Day, and time spent attending any training classes required to successfully conduct the election. The election judge will receive an additional sum of \$25.00 for picking up the election supplies prior to Election Day and for returning the supplies and equipment to the central counting station after the polls close.

The Elections Administrator may employ other personnel necessary for the proper administration of the election, including such part-time help as is necessary to prepare for the election, to ensure the timely delivery of supplies during early voting and on Election Day, and for the efficient tabulation of ballots at the central counting station. Part-time personnel working in support of the Early Voting Ballot Board and/or central counting station on election night will be compensated at the rate set by the County.

It is agreed by all parties that at all times and for all purposes hereunder, all election judges, clerks, and all other personnel involved in this election are independent contractors and are not employees or agents of the County. No statement contained in this Agreement shall be construed so as to find any judge, clerk, or any other election personnel an employee or agent of the County, and no election personnel shall be entitled to the rights, privileges, or benefits of County employees except as otherwise stated herein, nor shall any election personnel hold himself out as an employee or agent of the County, unless considered a county employee as determined by the Fort Bend County Human Resources Department. It is further agreed by all parties that at all times and for all purposes hereunder, all election judges, clerks, and all other personnel involved in this election are independent contractors and are not employees or agents of Political Subdivision. No statement contained in this Agreement shall be construed so as to find any judge, clerk, or any other election personnel an employee or agent of Political Subdivision, and no election personnel shall be entitled to the rights, privileges, or benefits of Political Subdivision employees except as otherwise stated herein, nor shall any election personnel hold himself out as an employee or agent of Political Subdivision.

## V. PREPARATION OF SUPPLIES AND VOTING EQUIPMENT

The Elections Administrator shall arrange for all election supplies and voting equipment including, but not limited to official ballots, sample ballots, voter registration lists, and all forms, signs, maps and other materials used by the election judges at the voting locations. At each polling location, joint participants shall share voting equipment and supplies to the extent possible. The participating parties shall share a mutual ballot in those precincts where jurisdictions overlap. However, in no instance shall a voter be permitted to receive a ballot containing an office or proposition stating a measure on which the voter is ineligible to vote. Multiple ballot styles shall be available in those shared polling places where jurisdictions do not overlap. The Elections Administrator shall provide the necessary voter registration information, maps, instructions, and other information needed to enable the election judges in the voting locations that have more than one ballot style to conduct a proper election.

Political Subdivision shall furnish the Elections Administrator a list of candidates and/or propositions showing the order and the exact manner in which the candidate names and/or proposition(s) are to appear on the official ballot (including titles and text in each language in which Political Subdivision's ballot is to be printed). This list shall be delivered to the Elections Administrator prior to the deadlines as described in section XVI. Political Subdivision shall be responsible for proofreading and approving the ballot insofar as it pertains to Political Subdivision's candidates and/or propositions.

If the boundaries of the political subdivision extend into another county, it shall be the responsibility of the political subdivision to request a poll book from the voter registrar of those counties and provide to the Elections Administrator within five calendar days before the start of Early Voting. It shall also be the responsibility of the Political Subdivision to request copies of Ballot by Mail applications from the Early Voting Clerk of those counties.
