

## 28E Contract with NIACC for Concurrent Enrollment Classes

### Background:

Back in the mid-1980's, Harlan Community School District was the first high school in Iowa to begin offering college credit classes as part of the regular high school curriculum. Today, numerous districts across the state are offering college credit classes.

For many years now, Belmond-Klemme CSD has held a 28E sharing agreement with North Iowa Area Community College (NIACC) in order to offer college credit courses to the students of Belmond-Klemme through their Concurrent Enrollment program. The cost to the Belmond-Klemme district is mostly covered by the additional weighting dollars that Belmond-Klemme receives from the state for the shared program.

At the end of this page is a list of classes that students from Belmond-Klemme High School may take. In addition, students may take vocational classes at on campus at NIACC and at the Rockwell Academy.

The contract with NIACC appears in the *EXTRAS* tab of BoardBook.

### Recommended Action:

Renewal of the 28E contract with NIACC will continue the sharing agreement which will allow our students to access the classes listed below. I recommend renewal of the 28E contract with North Iowa Area Community College.

### Approved Courses for Belmond-Klemme High School:

POL-111 American Government	PSY-121 Developmental Psychology	BIO-102 Introductory Biology
BIO-206 Anatomy and Physiology	EMS-201 Emergency Medical Technician	BIO-103 Introductory Biology Lab
BIO-206L Anatomy and Physiology Lab	ENV-111 Environmental Science	ELT-745 Maintenance Shop Operations
AGS-109 Animal Science	AGA-154 Fundamentals of Soil Science	SOC-120 Marriage and Family
MAT-801 Applied Math A	CHM-166 General Chemistry I	HSC-120 Medical Terminology I
MAT-802 Applied Math B	CHM-166L General Chemistry I Lab	HSC-121 Medical Terminology II
MAT-803 Applied Math C	CHM-176 General Chemistry II	MUS-100 Music Appreciation
MAT-804 Applied Math D	CHM-176L General Chemistry II Lab	HSC-174 Nurse Aide Clinical
ART-203 Art History	AGB-133 Intro to Ag Business	HSC-130 Nurse Aide Theory
BIO-202 Biology I	CRJ-100 Intro to Criminal Justice	BIO-151 Nutrition
BIO-202L Biology I Lab	DRA-110 Intro to Theatre, TV, and Film	FIN-121 Personal Finance
BIO-203 Biology II	BUS-102 Introduction to Business	PEH-111 Personal Wellness
BIO-203L Biology II Lab	EDU-213 Introduction to Education	AGA-114 Principles of Agronomy
BUS-185 Business Law I	BUS-130 Introduction to Entrepreneurship	MGT-101 Principles of Management
SDV-160 Career Decision Making	PHI-105 Introduction to Ethics	ECN-120 Principles of Macroeconomics
WBL-100 Exploring Careers	PSY-111 Introduction to Psychology	ECN-130 Principles of Microeconomics
PSY-223 Child/Adolescent Psychology	SOC-110 Introduction to Sociology	PSY-211 Psychology of Adjustment
CHM-151 College Chemistry	MAT-156 Introduction to Statistics	SPC-112 Public Speaking
CHM-151L College Chemistry Lab		IND-190 Skills and Safety in Industry
ENG-105 Composition I		HIS-151 U.S. History to 1877
ENG-106 Composition II		HIS-152 U.S. History Since 1877
BCA-215 Computer Business Applications		WEL-240 Welding Fabrication
