

Request for Curriculum Change

Deletion of Course/Content Area

Date: 10/27/2017

Department/Subject: Agricultural Education

Person(s) initiating the request: Mike Miron

School(s): High School

Grade(s): 10-12

Course Title: Agri-Entrepreneurship (0805)

Describe the process that led to this request for the deletion of course/content area:

This course has not received enrollment to justify a section for at least 10 years. Many of the students who registered for this class have been added to the Senior Agriculture course and come of the learner objectives have been incorporated into that curriculum. As a result, the Agricultural Education PLC recommended deleting this course.
