# Onsite Assessment

## Assessment and accountability

### Testing

- ❖ What is the “state of the state” for teachers and testing? Concerns?
- ❖ What are the reasons parents are giving for apprehension to test
  - Virtual students
  - Onsite students
    - What do you need? How can we help?
- ❖ Communication with families
  - Build and deepen relationships and trust
  - Provide concrete procedural details to assure parents of safety
  - Communicate benefits: like a well check at doctor’s office
