

**743 Policy Pertaining to Spending of District Funds**

**Board Deleted: January 20, 2026 – Covered in Policy 643**

All text, music, general, departmental and extra-curricular supplies must be requisitioned to the Superintendent of Schools if they are to be paid from school district funds.

The Board of Education has assumed responsibility for extra-curricular and co-curricular activities, thereby in effect declaring all so-called extra-curricular a regular and legal part of the educational program.
