Dear Neah-Kah-Nie School Board and Superintendent Reed:

I would like to recognize Judy Williams as Garibaldi Grade School's Volunteer of the Month for December! Judy has truly been an exceptional volunteer who has shown an incredible dedication and service to our school. Her commitment to our school community has made an immeasurable impact and we are so grateful for all she has done and continues to do.

Judy not only helps out by subbing whenever we need her in the building, she is willing to come in and support our students in simple things. She is always showing kindness and connects with kids of all ages. She is willing to help out and support our students and staff in anything that is asked of her.

Judy is such a giving and kind person, there are multiple students asking us to hire her to work with them! Although I cannot seem to persuade her to apply for any position, we are fortunate to have her at GGS in numerous capacities. We especially appreciate Judy's wonderful character. She always has a smile and maintains a remarkably calm demeanor, creating a positive and welcoming environment for everyone. Her consistent willingness to help in any way she can embodies the spirit of service.

We would like to thank Judy for her hard work, enthusiasm, and positive attitude. We are so fortunate to have her as part of our school family and look forward to continuing to work together to maintain such a supportive environment for our students.

With deep appreciation,
