

Organization Chart/Lines of Responsibility

All schools and departments shall form a single administrative system organized so that appropriate decision-making may take place at various levels in accordance with Board policy and administrative regulations. The Superintendent or designee shall maintain a current district organization chart, approved by the Board, which identifies lines of primary responsibility and the relationships between district positions.

The organization chart should clarify working relationships and functions. It is not intended to indicate all the lines of communication and cooperation which must exist to create successful and effective schools. The Superintendent or designee shall insure that all personnel understand to whom they are responsible and for what functions. Lines of responsibility should in no way prevent staff members at all levels from cooperating to develop the best possible school programs and services.
