

## **Big Sky Elementary School Report**

Oki! Happy Spring Break! I sure hope we will have a beautiful spring and can say goodbye to winter.

We have parent/teacher conference this week and look forward to visiting with the parents. We have a lot of different things going on during the last two months of school. One being the smarter/balance testing, then the graduation of two very excited boys.

God Bless the children of the Browning School District #9. Please keep them safe.

Have a great day!  
Dan Anderson
