SUBJECT: Agenda Item – SWTJC Diesel Mechanic Coop Students

Please find agenda item that will be presented at the upcoming Board Meeting on Tuesday, January 14, 2024. This is in regards to accept SWTJC Diesel Mechanic COOP students to complete the on the job training hours at EPISD Transportation Department.

EAGLE PASS INDEPENDENT SCHOOL DISTRICT

To: Rolando Salinas, Deputy Superintendent for District Operations

From: William Davis, Transportation Director 

Re: Southwest Texas College Diesel Mechanic Co-op Students

Date: December 6, 2024

I was contacted by Southwest Texas College Diesel Mechanic Department to inform me that four (4) students are interested in working at the Transportation Vehicle Mechanic Shop as of January 2025, in order to complete their on the job training hours needed to graduate as Diesel Mechanics. The following information is the contract between Southwest Texas College and Eagle Pass ISD along with the names of the students that wish to work for this department.

Can you please review these contracts and have the appropriate personnel place this item on the agenda for the next Eagle Pass ISD School Board Meeting and seek approval for these students to receive their on the job training as Diesel Mechanics. This will be the 10th year that students from Southwest Texas College will be working to complete their Diesel Mechanic on the job training hours.

These years of joining forces with Southwest Texas College have led to a successful recruit of Diesel Mechanics. As a result, we currently have 4 former students employed at the District that are doing a great job for this department. If you have any questions feel free to contact me at the following:
