

MEMORANDUM

November 6, 2013

TO: Members of MVSEC Executive Advisory Board

FROM: Carla Cumblad, Executive Director

RE: Listing of Instructional Materials

According to Executive Advisory Board Policy 6:210:

“The Executive Director or designee shall annually provide a list of textbooks and instructional materials used in the Cooperative to the Board.”

For a special education cooperative, there are many materials that may support the individualized instruction of learners that require highly specialized instruction. At the November 6 Board meeting, updated spreadsheets will be presented. The tables of instructional materials have been updated to reflect the merging of the Educational Life Skills (ELS), Ability-Based Learning and Education (ABLE) and Students Attaining Independent Living (SAIL Programs. In addition, instructional materials that have been purchase for use in the 2013-14 school year are noted in **bold**.
