Rotary Students of the Month

Hillsboro High School is thankful for the many partnerships we have with our local community and civic organizations. The Hillsboro Chapter of Rotary recently recognized two Hillsboro High School students as their Rotary Club Students of the Month. Two Hillsboro High School students, Lised Cruz and William Flowers, were the recipients. These two students were selected due to their contributions and participation in recent UIL Academic events. We are proud of these two students' hard work and success. And we thank the Rotary Club for their continued support of Hillsboro High School.

Hillsboro High School National Honor Society
