

# Harrison Street School School Improvement Goals 2011-2012

## **1. IMPROVE STUDENT READING AND LANGUAGE ARTS THROUGH:**

*Continued emphasis on comprehension strategies  
Continued emphasis on vocabulary development  
Continued emphasis on text type/genre exposure  
Grade level data discussions regarding RLA achievement  
Introduction phase of Reading Language Arts Common Core Standards*

## **2. IMPROVE STUDENT PROBLEM-SOLVING SKILLS THROUGH FOCUS ON:**

*Continued work identified areas of need based on past ISAT data: metric and customary measurement, graphing, patterns, predictions, mental mathematics, estimation, comparisons, place value and fractions  
Incorporation of problem solving in all areas of educational setting  
Introduction of FASTTMATH into curriculum  
Introduction phase of Mathematic Common Core Standards*

## **3. CREATE A BUILDING CLIMATE THAT FOSTERS A SENSE OF BELONGING AND SUPPORTS A POSITIVE SCHOOL EXPERIENCE FOR ALL:**

*Incorporate universal behavior expectations in common areas  
Develop implementation timeline/plan for Second Steps curriculum  
Collaborate with HSS PTO to create opportunities for family-school Events  
Create resource network list for HSS families*
