## **2023-2024 Safe Employee Recognition:**

The Safe Employee Recognition Campaign—Because You Matter—proudly recognizes and rewards employees with exceptional commitment to safety. This initiative honors those individuals who have gone above and beyond to ensure a safe working environment, whether by helping colleagues avoid injuries, consistently reminding others of safe practices, or routinely wearing proper protective equipment. Their dedication protects themselves and fosters a culture of safety within our organization.

We are delighted to announce the recipients of the 2023-2024 Safe Employee Honor Roll Recognition. These exemplary individuals have set a high standard through their remarkable actions and steadfast commitment to safety:
