Review of Submitted Names for Pre-Kindergarten Facility

Purpose of Report

The Board will review all names submitted by the public while considering a name for the Pre-Kindergarten Facility which has been approved for construction.

Objectives

- To review all names submitted for the naming of school facilities
- To discuss the selection of a name specific to the Pre-Kindergarten facility
- To discuss a timeline for possible action on naming the facility

Operational Impact

The Board needs to name the facility for proper reporting to the Texas Education Agency. Funds for highlighting the name on the actual building structure are included in the construction costs for the facility.

Results

Naming the facility will allow the district to properly communicate to state and local publics the official title of the facility.

Other Options

The Board retains the right to name the facility at its discretion.
