School Board Meeting Agenda Item

Topic: Resolution Discontinuing, Reducing, and Adding Programs, Positions, and Budgets
Contact(s):
Presenter(s): Karsten Anderson, Superintendent

Nature of Action Requested by Board

Board action
Board information or scheduled report

Background Information

Based on selection of a budget reconciliation target, a resolution will be presented making decisions that will meet the target.

Please note the following:

- The number of students requesting family and consumer science (FACS) courses is currently high compared to teacher full-time equivalency (FTE), so the district may need to add back a part-time or full-time FACS teacher.
- The administration assumes it will have some flexibility with teacher assignments and FTE (including overloads) when finalizing assignments for next year.

Recommendation

I move to approve the Resolution Discontinuing, Reducing, and Adding Programs, Positions, and Budgets as presented.
