

UNITED INDEPENDENT SCHOOL DISTRICT AGENDA ACTION ITEM

Topic: Approval of Rescinding of Procurement and Delivery Method for the following projects:

All Campus District Wide: Upgrade Security Surveillance Camera System and Install Building Access Control at all Exterior Perimeter Doors, Card Reader Locking System.

Various Campuses: Replacement of Security Alarm and Public Address Systems.

Submitted by: Cordelia Flores Jackson **Of:** Director of Purchasing

Approved for transmittal to Bond Oversight: March 25, 2015

Recommendations:

Administration is bringing the aforementioned projects to rescind the procurement and delivery method approved during the December 10, 2013 Special Called Board Meeting. These projects were approved as a Competitive Sealed Proposal (CSP). Administration will be issuing a Request for Proposal (RFP) as the most appropriate and cost effective method for these projects. Moreover, will present a recommendation for approval of vendor(s) to the Board during a forthcoming Board Meeting.
