Re: Churchill Tennis Courts Project

I would like an opportunity to share with the Board of Education information on the Churchill High School Tennis Courts Project. As mentioned to the Board at the Study Session of April 24, 2017, the bid opening for this Sinking Fund project will occur on the afternoon of Thursday, April 27, 2017. For that reason, we will be bringing the specific recommendation and bid tab directly to the Committee of the Whole meeting to share with the Board. I apologize for not having the documents for this in the bid packet, but the nature of the work and the timeline necessitates bringing this recommendation to the Board in time for a vote at the May 15, 2017 Regular meeting.

Please add this request to the agenda of the Monday, May 1, 2017, Committee of the Whole Meeting.
