Texas Woman's University ("TWU") and Argyle High School hereby enter into the following Partnership Agreement, which allows currently enrolled high school students an opportunity to concurrently enroll in college courses at TWU. This Agreement is written in accordance with Title 19, Chapter 4, Subchapter D of the Texas Administrative Code (TAC) pertaining to partnerships between secondary schools and Texas public colleges.

TWU and Argyle High School agree to enter into a partnership to award concurrent course credit. Concurrent credit (dual credit) allows high school students to be awarded both high school and college credit for courses offered by TWU applicable toward a TWU degree. graduation requirements. All instruction and materials used in the dual credit course will be at a level equivalent to those used for equivalent university credit-only courses.

- c. Courses approved for dual credit must be applicable to a TWU undergraduate degree but may not be applicable to an undergraduate degree at another post-secondary institution.
 - d. Argyle High School shall be solely responsible for ensuring that the delivery of dual credit courses under this Agreement complies with SB 12 and any related rules and regulations. Compliance with SB 12 expressly includes, but is not limited to, ensuring instructional content complies with SB 12 prohibitions, obtaining parental consent where required, providing annual written notice to parents, and implementing all related administrative procedures. Argyle High School shall defend, indemnify, and hold harmless TWU, its officers, employees, and agents from and against any claims, demands, damages, liabilities, losses, costs, or expenses (including reasonable attorneys' fees) arising out of or related to Argyle High School's failure to comply with SB 12. TWU may review course syllabi and materials to confirm consistency with TWU academic standards, but such review shall not shift or create responsibility for SB 12 compliance to TWU.

 - b. Students must meet the following eligibility requirements:

 1. TWU will pay tuition for all students identified as educationally/economically disadvantaged by ISD PEIMS code 01, 02, or 99 within 4 years of taking a dual credit course and confirmed by THECB based on TEA data beginning in the summer of 2026.
 2. The ISD will be responsible for checking the PEIMS 01, 02, or 99 statuses for FAST students over the 4-year period prior to taking dual credit.
 3. FAST applies to all semesters a student is eligible to enroll: Fall, Spring, and Summer.
 4. The ISD will assist with communication to students and parents enrolled in dual credit with TWU of the student's responsibility to pay.
 5. The ISD will be responsible for covering the cost of all required textbooks, course materials, and any additional fees associated with dual credit courses for a student eligible under FAST.

 - a. Other textbooks, along with additional fees, will be invoiced to the ISD by TWU.
 2. It is possible the THECB may locate additional students who were FAST eligible based on TEA data and as a result the ISD will be required to cover costs.
 3. It is possible that THECB, based on TEA data, may determine that students identified by the ISD as FAST-eligible are not eligible. In such cases, either the student or the ISD will be responsible for all costs.
 4. FAST students are NOT eligible to apply for TWU scholarships.

TEXAS WOMAN'S
