Re: Recommendation for Long Term Substitute Teacher Hire

On January 24, 2025, I met with applicants for an open long term substitute teaching position available at King Elementary in January of 2025. After discussing the strengths and qualities of the candidates with my team, I would like to recommend Jennessa Pollack for the position of long term substitute kindergarten teacher.

Cyrus M. King Elementary School

Dear Mrs. Stefan

I would like to inform you that I will be resigning from my position as a Paraprofessional for King Elementary, effective May 30, 2025 due to my fiance's job opportunity.

I have loved my time at King and while I am excited for what life has in store for me this coming year, I do write this with a heavy but very grateful heart. My team and co-workers have been amazing and I am so thankful for everything I've learned and everyone I've met during my time here.

If I can be of any assistance during this time, please let me know.

Sincerely,

Grace Jordet

Deer River Schools School Board Members,

I have the opportunity to deliver water filters in Guatemala this spring with the Praying Pelicans organization. I will be chaperoning a group of students from Deer River, Grand Rapids and Greenway. This trip is an amazing opportunity for a geography teacher! I chaperoned a trip to the Dominican Republic 8 years ago and I still use my photos and knowledge gained from the experience in my classes.

I will be gone Thursday, April 3 through Thursday, Apr 10, 2025 . I have 35 hours of personal time remaining and I am 13 hours short. Please consider a pay-deduct for the 13 hours of personal time.

Thank you for your consideration,

Lynn Evans

DRHS social studies teacher since 2007

To the Deer River School Board, ISD #317

First of all I would like to express my gratitude to you for your ongoing commitment, time, and effort to our schools. Your services are greatly appreciated.

Request:

I would like to request a medical leave of absence to care for my daughter Carey & her family; the time needed is not predictable. Yesterday Carey had a biopsy which appears to be advanced liver cancer that has spread. We are waiting for the final test results. Later this month she will see a specialist & her plans for treatment will be determined. Meanwhile, we're praying for a miracle & complete restoration of Carey's health.

Those who are impressed, please pray for Carey (40) & Brett, Levi (10), Joshua (8), Samuel (4), & me. We have a big God & we've put our trust & future in His hands.

Thank you for considering my request,

Blessings to each one of you.
