**Motion:**

<b>Panel Member</b>	<b>Vote</b>	<b>Reason/Comment</b>
<b>Phil Baldwin</b>	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	I approve the motion. The program for SW LR students is making an impact on students.
<b>Dr. Naccaman Williams</b>	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	Support the motion. The Exalt Academy of Southwest Little Rock prepares students from educationally underserved areas of Southwest Little Rock to be competitive academically. This is accomplished by the students achieving mastery. I like the biannual update with the 10 year renewal.
<b>Sonja Wright-McMurray</b>	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	I support the motion to renew Exalt Academy's charter. They have developed and implemented a model that improves social and academic outcomes for their students, who come from traditionally underserved populations. Exalt Academy's plan to focus solely on K - 8 instruction will allow them to master and continue offering effective education for their population of students. For this reason, I encourage them to work with the Division of Career and Technical Education develop and offer CTE curriculum for their middle school-age students.
<b>Karli Saracini</b>	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	I support the motion for renewal at Exalt Academy of Southwest Little Rock. Continue with the mission of serving high-need populations and teaching to mastery level while providing those wrap around services that students need to grow and learn.
<b>Dr. Eric Flowers</b>	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	Vote to approve the 10 year renewal with a progress review every 2 years for Exalt Academy of Southwest Little Rock. I look forward to hear about your continued efforts to edgape your students as they develop both academically and socially.
