Introduction

[Office of School Facilities](#) (OSF): Helping districts keep students healthy safe and warm

Let's take a closer look at what a good school has:

Science Room

Classrooms

Administration

Emergency Exit

Classroom 1: Economics (TAP)

Technical Assistance Program

- Grants:
  - Facility Assessment
  - Long Range Facility Plan
  - Seismic Assessments
  - Environmental Hazard Assessments

Classroom 1: TAP Homework

Apply for grants between **January 15, 2021** and **February 15, 2021**

Good News:

- o Get reimbursed for work started in the previous 6 months
- o This means radon testing for the end of 2020 can be a basis for a 2021 grant application
- o Approximately $2 million available for grants

Bad News:

- o Have to wait 4 years after receiving a grant to reapply for the same grant
- o Eligibility Tracker

Computer Science Room: Data Collection

Buildings and Bonds Data Collections

- Data Collection provides invaluable data to ODE
  - Collections open **December 10, 2020** and close **January 29, 2021**
  - Training Webinar **November 17, 2020**

- Important Updates (Building Collection)
  - Internet Service Field
    - Important field with new choices:
      - Dial-Up
      - Cable TV
      - Fiber
      - ISDN
      - DSL
      - Wireless
      - Satellite
      - Cellular

Computer Science Room: Data Collection (Cont.)

- Important Updates (Building Collection) (cont.)
  - Renovations Code
    - Previously recorded renovations for all years
    - Now only records renovations in a given year
      - Better building history
      - Multiple renovations in a year
      - Complete seismic information
        - Drop down menu
        - Eliminate a DOGAMI collection

Classroom 2: OSCIM Program

Oregon School Capital Improvement Matching Program

- May 2021 election applications are **December 1, 2020** and **December 15, 2020** because of COVID

- November 2020 election has not changed

- Unknown what amount of funding will be available for 2021-23 biennium

Science Room: Lead Testing

Healthy and Safe Schools

- Required for 2020

  o Ongoing testing for districts with 1-3 schools and more than 20 schools

  o Initial testing for other districts

  o Need to use an ORELAP certified lab

  o Testing after a normal school day?

  o Must use a draw sample for the initial test

  o **15 ppb** is the new action level

Science Room: Lead Testing (Cont.)

- Helpful Hints
  - Have a systematic plan
    - Use the ID structure developed by ODE
  - Make sure you are following the **new requirements** and not 2016 requirements

- Reimbursement
  - All lab costs, including shipping and miscellaneous costs
  - Will provide an extra amount per sample to account for administrative costs of the sampling program
  - We have both state and federal money for reimbursements
  - [Reimbursement Form](#)

Emergency Exits: SSEM & EOPs

Emergency Operation Plans (EOPs)

- Provide planning for a district to cover natural and man-made disasters

- Help districts prevent, protect against, and mitigate the consequences of a disaster

- Help prepare districts to respond and recover from emergencies

- Help keep students safe from all hazards

Emergency Exits: SSEM & EOPs (Cont.)

School Safety and Emergency Management

- Providing training to districts to develop comprehensive Emergency Operations Plans (EOPs)

- Trainings:
  - Train the Educator; EOP 101.
  - Implementing Memorandums of Understanding/Agreement.
  - Intro to the National Incident Management System (NIMS) and the Incident Command System (ICS).
  - Planning for Access and Functional Needs.

- Individual consultations

- Will come to the district… well maybe not in 2020

- Trainers working with districts to draft and implement RSSL Blueprints

Administration

OSF Staff

- Michael Elliott, School Facilities Program Manager
  - 503-947-5627, 503-551-9227
  - Michael.S.Elliott@state.or.us

- Savanah Solario, School Facilities Coordinator
  - 503-373-7442
  - Savanah.Solario@state.or.us

- Alex Haislip, Interim Director School Safety & Emergency Management
  - 503-943-0614
  - Alex.Haislip@state.or.us

Administration (Cont.)

- Brian Hodges-French, HASS Program Administrator
  - 503-947-5947
  - Brian.French@state.or.us

- Leanna Heiman, TAP Program Administrator
  - 503-947-5859
  - Leanna.Heiman@state.or.us

- Michael Lammers, Database Administrator
  - 503-947-5968
  - Michael.Lammers@state.or.us

- Office of School Facilities
