Hi all,

I've got some exciting news to share with you and I hope you pull out your calendar and put a hold on Saturday Oct. 5th. WHY? Because we at AASB are offering our first ever POW 1 day board training and all 4 of your districts are invited. John Sedor (school law lawyer) and I are going to offer a full day of board training that will include:

- Boards Role in Personnel
- Roles and Responsibilities
- Open Meeting
- and a few more topics TBA

We have talked about doing this for years and we are thrilled to be able to finally get one scheduled on the calendar.

We will certainly be sending more information later, including the costs (which will be less than if you brought 2 of us to your district for a day as costs will be shared) will be sent later, but I wanted to get this date on your calendars.

If you have any specific ideas as to topics please let me know and we will add it to our list of possible issues to cover.

Next steps:

- 1) bring this topic up with your boards at the next meeting so they can put a hold on that date,
- 2) let me know any topics you'd like,
- 3) solidify a location for the training (Jim I'd like to talk with you about the vocational building?)
- 4) watch for more information in August

Thanks, timi
