RE: 2016 Buffalo Middle School Additions and Alterations

Dear John,

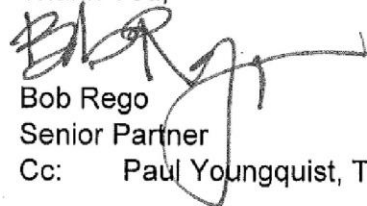

Attached are the bid results for the 2016 Buffalo Middle School Additions and Alterations project. We recommended that District 877 accepts the Base Bid and Alternate #1 and enters into a contract with Breitbach's Construction for complete Construction as follows:

Base Bid:	\$2,346,000
<u>Alternate# 1 Liquidation Damages:</u>	<u>\$0.00</u>
Total Recommended Award:	\$2,346,000

We will forward Breitbach's sub-contractor and supplier list for the project as soon as it is submitted.

The Apparent low bidders, Ebert Construction, failed to submit their Responsible Contractor Affidavit, as required by Minnesota Statute, and is considered a non-responsive bid. The board should reject Ebert's bid for this reason. Please contact me if you have any questions regarding the bid results.

Thank You,

Bob Rego
