Re: FOIA Request

To Whom It May Concern:

We are requesting the actual electronic data maintained by the Treasurer's office for the annual expenses paid to identified vendors, firms, and individuals for the fiscal years 2024, 2014, and 2004 by the school district, including any predecessor districts that existed at the end of each respective fiscal year and have since consolidated or annexed into the current district. This includes all relevant financial data from districts that, at the time, were separate entities but now form part of the current district. For example, if Districts #100 and #200 were separate in 2004 but consolidated into District #300 in 2010, we would request data for Districts #100 and #200 individually for 2004, and then only for District #300 for 2014 and 2024. This request specifically excludes salaries, wages, and benefits paid to staff members. We are interested in vendors, firms, and individuals who have received total payments of \$500 or more for each fiscal year, regardless of whether this total comes from a single payment or multiple payments.

The District complied with responsive records for FY24 and FY14. There were no responsive records in possession for FY04.

If you believe this response is a violation of the FOIA, you may file a request for review with the Public Access Counselor ("PAC") pursuant to §9.5 of FOIA. You can file your Request for Review with the PAC at the Office of the Attorney General, 500 South 2 nd Street, Springfield, IL 62706 or by calling 1-877-299-FOIA. You also have the right to seek judicial review of your denial by filing a lawsuit in the Circuit Court pursuant to §11 of FOIA.
