

MEMORANDUM

June 25, 2015

TO: Members of the MVSEC Executive Advisory Board

FROM: Carla Cumblad, Executive Director

RE: TASC Memorandum of Understanding

The current agreement with the Therapy Association for Special Children (TASC) does not have a provision for mentoring new staff members. Since the cooperative will be hiring two full-time and two part-time therapists, both MVSEC and TASC are in agreement that there should be a mentoring program. This program mirrors that of the MVSEA.

Recommendation:

Approval.
