Re: Bid Results for Abatement Contractor – Phase III Upper Elementary and Middle School Projects

Asbestos abatement will need to take place as part of the renovation at Johnson Upper Elementary School and Holmes Middle School this summer. We would like to discuss the responses received from the Request for Bids (RFB) for Asbestos Abatement Contractor at the next Building and Site Committee meeting on Monday, January 11, 2016.

The RFB for the Asbestos Abatement at Johnson Upper Elementary School and Holmes Middle School was made available on December 2, 2015. Our Owner's Representative Plante Moran Cresa conducted a mandatory pre-bid conference on December 8. The bid responses were due on December 17, 2015. Plante Moran Cresa is currently reviewing the information. The process for evaluation will be in accordance with the criteria that were established previously.

The bid responses will be available in the Business Office conference room for any Board member that would like to look at the documents provided by the various firms.

On Monday, January 11, 2016 at the Building and Site Committee meeting Plante Moran Cresa will present the results of their evaluation to the Board of Education and provide recommendations for next steps in the process of selecting the vendors to provide the Phase III asbestos abatement for Johnson Upper Elementary School and Holmes Middle School.
