INTERLOCAL AGREEMENT
BETWEEN THE COUNTY OF WEBB
AND UNITED INDEPENDENT SCHOOL DISTRICT
FOR THE CONSTRUCTION AND MANAGEMENT
OF TRAUTMANN PARK

THE STATE OF TEXAS §
 §
COUNTY OF WEBB §

This Agreement is made this the _____ day of _____, 2007, by and between the COUNTY OF WEBB (hereinafter called "County"), a Texas County and political subdivision, pursuant to the action of its Commissioners Court of _____, 2007, and UNITED INDEPENDENT SCHOOL DISTRICT, a Texas political subdivision (hereinafter called the "District"), acting by and through its Board of Trustees pursuant to its actions of _____, 2007.

I.
Preamble

WHEREAS, the mission of the County is to promote the health, safety, and welfare of its citizens, and said mission is served by the development of parks and recreational areas; and

WHEREAS, the availability of quality playgrounds, recreational areas, sports complexes, and ecological laboratories adjacent to District campuses serves the mission of the District, to provide for the educational, emotional, and physical development of its students; and

WHEREAS, County and District wish to maximize land and facility use to provide such County and District services; and

WHEREAS, Chapter 791 of the Texas Government Code authorizes political subdivisions to enter into intergovernmental agreements; and

WHEREAS, County and District are each political subdivisions located in Webb County, Texas; and

WHEREAS, the use of 10 acres of land, more or less, (hereinafter the "Property") is committed by the District for the development of a park and open space adjacent to Trautmann Elementary School and Trautmann Middle School; and

WHEREAS, County and District agree that construction, utilization, and maintenance of a sports complex and park, to be known as the Trautmann Park (hereinafter the "Project"), located adjacent on the Property adjacent to Trautmann Middle School and Trautmann Elementary School, would enhance the recreational assets of both County and District, will reduce operating costs of each, will offer more programs to area residents, and presents a unique opportunity and an efficient partnership approach to addressing community education and development needs, and the mutual benefits derived by County and District in the construction, use, and maintenance of capital facilities would benefit the taxpayers and the mission of both jurisdictions; and

WHEREAS, County has committed, designated, and authorized \$ 725,000.00 as funds for the Project, subject to the terms of this Agreement; and

WHEREAS, funding of construction, joint use, and joint maintenance of the Project are cost-effective methods for the parties hereto to best serve the needs of their respective constituencies; and

WHEREAS, the Project is to be constructed on the above-described Property to be leased to County by District located adjacent to Trautmann Middle School and Trautmann Elementary School, which said lease will be developed at a later date; and

WHEREAS, in consideration of County's and District's participation in the leasing of the property, the cost of design and construction, the cost of operation, and the cost of maintenance and repair of the Project, both County and District have the rights to shared use of the Project for the public purposes of each, as set out herein;

NOW, THEREFORE, in consideration of the covenants, conditions, and provisions set forth herein, the parties hereto agree as follows:

II. Definitions

2.1. When used in this Agreement, the following terms shall have the following meanings:

(a) **County** shall mean the County of Webb, a Texas County organized under the laws of the State of Texas, acting by and through its County Judge as authorized by the Commissioners Court of the County of Webb.

(b) **County Fiscal Year** shall mean October 1 to September 30.

(c) **County Funds** shall mean those funds designated and authorized by the Commissioners Court of the County of Webb for purposes of construction, repair, maintenance, and operation of the Project, including, but not limited to:

Funds in the amount of \$725,000.00, which can be increased, from time to time, as the project requires, to be appropriated in the County's General Fund.

(d) **County Use** shall mean use of the Project designated for use by County, as herein agreed by the parties.

(e) **Concurrent Use** shall mean simultaneous cooperative use, as agreed by the parties.

(f) **Construction Phase** shall mean that phase of the Project commencing with the award of a contract for construction and terminating with final payment to the contractor.

(g) **District** shall mean United Independent School District, governed by its Board of Trustees.

(h) **District Fiscal Year** shall mean September 1 to August 31.

(i) **District Funds** shall mean those funds designated and authorized by the District's Board of Trustees for purposes of maintenance and operation of the Project, including, but not limited to:

The appraised market value of the real property lease contributed to the Project by the District on which the Project is to be constructed.

(j) **District Use** shall mean exclusive use of the Project by District, as herein agreed upon by the parties.

(k) **Land** shall mean the property owned by District for Project use.

(l) **Milestone Inspections** shall mean interim inspections of the Project construction by the Architects and/or Project Managers, inspections which shall also determine the dates of Substantial Completion and final completion of the Project.

(m) **Project Consultants** shall mean the Project Manager, Architect, Landscape Architect, surveyors, and other professionals employed to conduct scientific tests and to provide advice and consultation preliminary to and in conjunction with the construction of the Project.

(n) **Project Costs** shall mean the cost of all elements of constructing and equipping the Project, including the total of the amount of the construction contract award, Project Consultant fees, and other such Project construction costs. Project Costs do not include the cost of land or land use funded by the parties, or equipment and supplies for the operation, repair or maintenance of the Project once construction is substantially completed and the Project is operational.

(o) **Substantial Completion** shall mean the issuance of the Certificate of Substantial Completion by the Architect for the Project.

(p) **Third-Party Use** shall mean use of the Project facilities by those (**Third-Party Users**) other than the parties to this Agreement and/or their staff, as may be agreed herein by the parties.

III.

Statement of General Purpose and Intent

3.1. The general purpose and intent of this Agreement is to provide for the (1) use of the Property for Project objective, (2) designation and expenditure of funding for the Project, (3) design, construction, maintenance, operation and management of the Project improvements on the Property, and (4) use of the Project by District's students, faculty, and staff, by other District invitees, by County's staff, and by the general public.

3.2. The Project shall be the area and the facilities, which will be developed at a later time, after the Project architect, engineer, or any other party authorized by the County.

IV.

Ownership and Terms of Use

4.1. The District, pursuant to the lease agreement to be approved by the District's Board of Trustees at a later date and made part of this Agreement, will lease the land described therein to County, to be utilized for the purposes of the Project as set out herein. The parties hereto understand and agree that the land is to be leased for the Project, and Project improvements are to be dedicated and utilized for the Project for use as park and open space purposes in accordance with this Agreement.

4.2. In consideration for the parties' contribution to the construction, operation, and maintenance of the Project, as set out herein, District and County shall use the Project under the conditions agreed to herein and as may be further mutually agreed by the Joint Use Committee.

4.3 The District will certify that it owns the land identified for use as the Project described herein, and is not prohibited by any term, condition, covenant of ownership from using the land as contemplated herein, to the best of its knowledge without the necessity of conducting an official title search or commitment.

V.

County's and District's Share of Construction Costs

5.1. **Project Cost Apportionment.** For and in consideration of the use of the Project by County and District, except as provided in Section 7.3, County agrees to provide improvements as outlined below, and to be more fully developed, in the approximate

amount of \$725,000.00, which may be increased, as necessary, at the discretion of the County and for the purposes to be agreed to between the Parties, from time to time, for the construction of the Project improvements.

5.2 **Accounts and Records.** County shall account for all Project Costs (including all receipts, expenditures, and investments thereof) including those County funds placed in County's depository on its books of account, and shall retain all records of such accounting for six years or the length of time required for the retention of public records, whichever is longer. County shall, upon reasonable request of District, its agents, or any State oversight agencies provide copies of, or reasonable inspection by, District, or State agency, including their employees or agents.

5.3. **Reports.** County will prepare and provide to District, within fifteen (15) days after the end of a month during which payments for Project Costs were made, a monthly report of Project Costs that includes the following:

(a) A copy of the monthly statement(s) submitted by Consultants and/or Contractors, or other evidence of Project Costs incurred during the month that is covered by the report;

(b) The amount of payment(s) of Project Costs during the month that is covered by the report and the sum of Project Costs paid through the period that is covered by the report; and

(c) Other financial or Project information reasonably requested by District.

VI.

Consultant and Construction Contracts

6.1. **Project Design and Construction Management.** It shall be County's responsibility to contract for all project consultant services necessary to design, plan, and monitor construction work related to the Project. Monitoring and administration of such consultant contract, and the making of payments to such consultant, shall be County's responsibility. County and the District's Superintendent or designee shall have the right to approve Final plans and specifications before their implementation.

6.2. **Contract Award and Project Monitoring.** County shall duly advertise for construction contract bids and to award construction contract(s) for the Project. Such bidding and construction contract award(s) shall be accomplished in accordance with applicable rules, regulations, ordinances, statutes, and codes. County shall monitor and administer such construction contract(s). Notwithstanding the foregoing, County agrees to coordinate and consult with District during all Phases of the Project specified in Article VII hereinafter.

6.3. **Lease Required.** Under no circumstances will County expend any funds for design, plan, construction, or any work contemplated under this Agreement until after a Lease acceptable to the County is finalized by the parties, with the exception of engineering or surveying costs to ensure that the correct legal description and survey is prepared for the Lease document.

VII. Coordination and Consultation

7.1. **Project Review Committee.** County shall keep District's Superintendent and/or his designee(s) informed of progress of the Project throughout the design, planning, and specification phase of the Project. District and County shall each, for such purposes, appoint three (3) staff members to a Project Review Committee, of which Architect and Project Manager for the Project shall also be members. The Committee shall meet with the Project Consultant(s) to review Project design, plans, specifications and progress of the Project. Such meeting shall be called by County or District at times and places mutually convenient to County and District.

7.2. **Review of Bids.** District shall have the opportunity to fully review and study all bids submitted to County for the Project. During the review and study process, County shall advise District of its recommendations regarding the firms to which it proposes to award contracts. The decision as to whom contracts are awarded shall be County's, or County may elect to perform all or a portion of the work in accordance with the plans and specifications. Objections of District to the proposed award shall be presented in writing to the County and mutually resolved prior to the award or election of County to perform all or a portion of the work.

7.3. **Construction Supervision.** Supervision of construction and completion of the Project in accordance with the plans and specifications is the sole responsibility of County. All contracts with the construction contractor and the Project Consultant(s) are County's responsibility, as is the administration of the construction contract and payments to construction contractor and construction consultants, subject to County's obligation to pay its share of such costs. County agrees to keep the District's Superintendent and/or his designee fully informed of construction progress and of any problems or delays encountered during construction. County further agrees to require Architect to provide County and District a full set of construction plans and drawings and further agrees to permit District to observe and inspect construction work at Milestone Inspections; provided, however, that such District representative shall not direct the contractor or any Project Consultant or in any fashion represent himself to hold inspection or supervisory authority, except for that portion of the Project wherein County elected to perform construction work.

Should the District's Superintendent or his designee observe any deficiencies or other problems in the construction work, such deficiencies or problems may be immediately reported in writing to County's Project Manager. County agrees to promptly review the report and, where appropriate, cause corrective action(s) to be taken.

7.4. **Corrective Action.** Except where County has elected to perform the work, it shall be County's sole responsibility to determine appropriate action required in Paragraph 7.3 above. Only County shall have the authority to issue a stop work order to the construction contractor or Project Consultants. Deficiencies or problems in the work performed by County shall be corrected at County's expense and such corrective action must be performed in a manner acceptable to District.

VIII.

Final Project Inspection and Acceptance

8.1. **Inspections.** Except where County has elected to perform the work, official acceptance of the completed Project improvements and certification of prior completion phases shall be County's sole responsibility. County agrees to notify the District's Superintendent or designee of the date and time of final project inspection. County agrees to permit District representatives to participate in such final inspection and to include such deficiencies, if any, as may be noted by District representatives, in the punch list for correction. District or its designee shall have the right to inspection of work performed by County. District and County must mutually agree to the completion and final acceptance of work performed by County. Should the Parties fail to agree, the Party agreeing to the final acceptance of the Project shall execute a waiver/release to the other Party regarding the Project requirements and work completed.

8.2. **Plans and Reports.** County shall provide District with a copy of the final Project improvements acceptance document and shall also provide District with a set of as-built plans, within a reasonable period of time following Project improvement acceptance.

IX.

Rental and Use Fees

(Lease)

9.1. **Rental and Use Fees.** It is contemplated that the Project will be utilized by Third Party Users, to include members of the general public, and such use shall be consistent with District's and County's policies for Third-Party Use. The Joint Use Committee shall recommend fee schedules to the County. County reserves the right to establish fees, charges, and conditions of use as County deems necessary and proper, provided that such Third-Party Use does not adversely affect the rights of use or maintenance of either party. If District's and County's use policies conflict or cannot otherwise be reconciled, the Joint Use Committee shall recommend a resolution for Third Party Use for consideration by County and District. However, notwithstanding any provision herein, neither District nor County

shall be obligated to modify its use policies to accommodate Third-Party Use or Third-Party Users.

9.2. **Insurance.** All Third Party Users shall enter into a written agreement with County, which shall require users to provide liability and casualty insurance coverage acceptable to County and District.

X.
Shared Use and Times of Operation
(Lease)

10.1. **Joint Use Committee.** A Joint Use Committee consisting of two (2) County representatives and two (2) District representatives shall convene at least once per quarter to schedule and review use, operational policies, and maintenance issues. The use of Project facilities by any Third Party user shall be pre-approved by the Joint Use Committee pursuant to this Agreement.

The Joint Use Committee shall establish and review maintenance standards for the Project.

10.2. **District Right of First Refusal.** The District shall have the right of first refusal for any District use of the Project during regular or summer school hours, and for any scheduled special school events or activities sponsored by or related to the District, including, but not limited to, intramural sports, University Interscholastic League activities, or State or regional athletic competitions. District shall identify for the Joint Use Committee time periods and specific facilities to be utilized by District.

10.3. The Project shall be reserved for use by the County during any period during which District activities are not scheduled, such County use to include use by Third-Party Users.

10.4. The Project and Property shall be closed daily from 11:00 p.m. to 6:30 a.m., except for special events sanctioned by the Joint Use Committee.

10.5. The possession or use of alcoholic beverages and the possession of firearms shall be prohibited within the boundaries of the Project. Use of the Project shall comply with other conduct requirements set forth in District policy which apply to District real property.

XI.
Cost Sharing for Operation and Maintenance
(Lease)

11.1. The following operation and maintenance provisions, subject to the provisions of Section X, shall apply to the special Project facilities required by the County and the District:

(a) **Football Field.** The cost of operating and maintaining the football field facilities, including its amenities and lighting but excluding amenities otherwise addressed herein, shall be that of District. Usage shall be based on terms approved annually by the Joint Use Committee.

(b) **Park Area Space and Lighting.** The cost of operating and maintaining park area space and lighting for this space shall be that of County. Usage shall be based on terms approved annually by the Joint Use Committee.

(c) **Security Lighting.** County shall be responsible for security lighting of Project areas.

(d) **Special Events.** The costs of security and traffic control for special events shall be the responsibility of the event's sponsor. Third-Party Users sponsoring events shall be responsible for assuming all costs of security and traffic control as part of their use agreement with County for use of the facilities. Litter control after any special event shall be assumed and undertaken by the event's sponsor, provided, however, that County may recover the costs of litter control from Third-Party Users as part of a contractual agreement for the use of the facilities. County may also require a deposit from all Third-Party Users entering into a use agreement with County.

(e) During periods sanctioned by the Joint Use Committee for the exclusive use by County or the District, the party entitled to such use may authorize the sale of concessions for itself or for any non-profit agency approved by the Joint Use Committee.

(f) **Parking.** It is generally provided that parking shall be available to County, District, and Third-Party Users at all times, except that parking may be restricted during District's school hours or District-related events, or parking may be reserved as approved by the Joint Use Committee for other special events. The responsibility for controlling parking shall be that of the special event sponsor. Third-Party Users sponsoring events shall be responsible for assuming all costs of parking control as part of their contractual agreement with the County for use of the facilities.

(g) **Irrigation and Landscape Maintenance.** County and District shall be equally responsible for irrigation and landscape maintenance of Project areas.

(h) **Fencing.** County and District shall be equally responsible for the maintenance and repair of fencing of Project areas. It is mutually agreed that no fence shall be erected by either party to this Agreement except as approved by the Joint Use Committee.

(i) **Concessions Stand/Press Box.** County and District shall be equally responsible for the maintenance and repair of the concession stand/press box and Third-Party Users shall be responsible for repairs and replacement for any damage or loss occurring while they are utilizing or otherwise in control of the concession stand/press box.

11.2. **Relocation of Equipment.** County shall be responsible for the removal of any temporary structure, facility, or equipment which it solely owns.

11.3 **Standard of Care.** County and District shall promptly carry out their maintenance obligations hereunder to preserve the facilities in their original character and condition, reasonable wear and tear excepted. Any issues arising from the manner in which maintenance obligations are to be carried out shall be referred to and determined by the Joint Use Committee.

XII.
Signs and Acknowledgment of Participation
(Construction and Lease)

12.1. County agrees that signs shall be located on the Project site during construction which acknowledges the participation of County, District, and others in Project Development.

12.2. County agrees to include in the design plans a permanently-installed plaque or other suitable permanent sign within the Project which acknowledges the participation of the County, the District, and others in Project Development. The size, form, material, verbiage and location of such sign shall be mutually agreed upon by County and District.

12.3. County further agrees to provide in the design phase, and include in the Project construction, locations for sign(s), which announce public use hours for County users and such other information as may be necessary to inform the public of available programs provided by the parties to this Agreement and their users. The size, form, material, verbiage, and location of such signs are subject to mutual agreement by County and District.

12.4. County shall erect signs informing Project users of hours of operation of the Project and alcohol and firearms ban, as described in Sections 10.5 above and 13.1 below.

12.5. Throughout the term of this Agreement, in all press releases, flyers, brochures, and other informational material prepared and distributed by District or County, District and County agree to include acknowledgment and recognition of the joint nature of the Project.

XIII.
Safety
(Lease)

13.1. District and County hereby agree and pledge that each shall fully comply with all established safety standards applicable to operation and use of the Project. County shall post such informational signs as necessary to inform users of rules, regulations, governmental codes, and ordinances. During their respective use and joint use periods, County and District agree to enforce such rules and regulations. It is understood and agreed that the parties presently employ both commissioned peace officers and security personnel sufficient for the

security needs of Project areas. District and County agree that any additional security for specified events shall be the cost of the party using or leasing the facility.

XIV.
Insurance and Non-Indemnification
(Construction and Lease)

14.1. County, at its own expense, shall provide and maintain, during the term of this Agreement, either insurance, with or without retention, or a self-insurance program, allowed or provided by law to Texas counties, which shall cover liability for property damage and personal injury pursuant to County's use and ownership of the Project.

14.2. District, at its own expense, shall provide and maintain, during the term of this Agreement, either general liability insurance, with or without retention, or a self-insurance program, allowed or provided by law, Self-insurance, within the meaning of this Agreement, is a plan for the District to cover potential claims, damages and losses due to the use of the Project.

14.3. District and County shall each be liable for their own acts of negligence and the conduct of its officials, employees and agents, to the extent provided in law. County and District shall not contractually indemnify each other for claims, damages or losses arising from Performance of this Agreement, however, each party shall have all recovery rights for any damages or losses to which it me entitled.

XV.
Term
(Lease)

15.1. The term of this Agreement shall be that of the Lease, which said Lease will be developed and approved jointly at a later date.

XVI.
Default
(Construction and Lease)

16.1. The parties hereto shall be entitled to written notice of default. Absent a cure of notice default satisfactory to the notifying party, that party may, at the conclusion of ninety (90) days from the receipt of notice by the defaulting party, declare default, and both parties shall be entitled to their respective rights and remedies under contract and law, including, but not limited to, immediate termination of this Agreement. Upon termination of this Agreement, whether for default, force majeure or other basis set forth herein, the leasehold in the Property shall terminate and the improvements thereon shall become fully owned by District. The County's investment in the property shall be amortized over a twenty-five year term, for the express purpose of reimbursing to the County for the value of improvements

for the years otherwise remaining on the lease. For example, should the lease terminate after ten years into the twenty-five year lease, then the District will reimburse 100% of the County's costs in making the improvements multiplied by the ratio of fifteen years remaining over the twenty five year lease [$\$725,000 \times 15/25 = \$435,000$], less the cost of depreciation of the Project improvements, which said depreciation shall be arrived at by a neutral third party consultant, paid equally by both Parties to the Lease.

XVII.
Assignment

17.1. This Agreement shall not be assignable by either party, unless written authorization is first obtained from the other party.

XVIII.
Severability

18.1. If any clause or provision of this Agreement is illegal, invalid, or unenforceable under present or future laws effective during the term of this Agreement, including any renewals, then and in that event, it is the intent of the parties hereto that the remainder of this Agreement shall not be affected thereby, and it is also the intent of the parties to this Agreement that, in lieu of each clause or provision of this Agreement that is illegal, invalid, or unenforceable, there be added as a part of this Agreement a clause or provision as similar in terms to such illegal, invalid, or unenforceable clause or provision as may be possible and be legal, valid, and enforceable.

XIX.
Entire Agreement

19.1. This Agreement contains the final and entire agreement between the parties hereto and contains all of the terms and conditions agreed upon to date, and no other agreements of prior date, oral or otherwise, regarding the subject matter of this Agreement shall be deemed to exist or to bind the parties hereto. It is the intent of the parties that neither party shall be bound by any term, condition, or representation not herein written.

XX.
Amendment

20.1. No amendment, modification, or alteration of the terms of this Agreement shall be binding unless the same be in writing, dated subsequent to the date hereof and duly executed by the parties hereto.

XXI.
Non-Discrimination

21.1. Any discrimination by District or County or their agents or employees on account of race, color, sex, age, religion, handicap, or national origin, in employment practices or in the use of or admission to the Project, is prohibited.

XXII.
