RFP # 21-16- Embedded Literacy Coaching

Purpose: ECISD’s Curriculum and Instruction department is requesting to partner with Houghton Mifflin Harcourt Publishing Company (HMH). HMH job-embedded coaching provides targeted literacy learning focused on best practices for Texas classrooms. Embedding professional learning into coaching helps teachers develop and enhance their instructional expertise with research-based teaching practices. These practices enable teachers to transform instruction and empower students to achieve excellence. The professional development will be based on Ector County’s adopted curriculum resources and teachers will receive engaging activities that can be implemented in their classrooms. During coaching, HMH Instructional Coaches will focus on foundational literacy skills, vocabulary, reading workshop, writing workshop, guided reading, literacy centers, and whole-group Tier 1 instruction, all within the District’s Literacy Framework.

Background Info: ECISD will partner with Houghton Mifflin Harcourt Publishing. Curriculum and Instruction adopted HMH *Into Reading* curriculum during Proclamation 19.
