# **Mission Statement**

A Community Dedicated to Equipping and Empowering Students for a Lifetime of Success

# Vision

Together, We Empower Students

# Value Statement

In Era ISD We Believe...

- *Students* are at the center of our work and will be instructed in a way that maintains the flexibility to engage in a variety of programs, and with that freedom, the student shall accept the responsibility of maintaining the integrity of Era ISD.
- *Parents and Families* should be the greatest of advocates for their children, flexible, involved, encouraging, and seek to partner with, and support our teachers as an investment in the future success of our students.
- *Faculty and Staff* are respected role models in our community who challenge themselves and our students to be continual learners in a way that supports them in and out of the classroom to equip our children for success in life.
- *Campus Leaders* are trustworthy, committed and invested in our students and community, and hold themselves and others accountable in a way that inspires and empowers.
- The Superintendent and Central Office Staff are servant leaders who demonstrate integrity, transparency, and open communication in a way that values diversity and directs resources towards the overall mission while maintaining accountability to all stakeholders.
- *The School Board* members are trusted leaders with integrity who are actively involved in the community while providing checks and balances, adherence to the chain of command, strong financial stewardship and always acting in the best interest of Era ISD students.

# **Comprehensive Needs Assessment**

# **Demographics**

## **Demographics Summary**

Era is a rural agricultural community about 11 miles southwest of Gainesville, Texas, and approximately 30 miles north and west of Denton, Texas. Era ISD encompasses approximately 155 square miles and serves several other small communities, including Leo, Myra, Prairie Point, and Rosston. We are a single campus school district serving grades K-12, and currently have about 490 students in total.

Era ISD's enrollment is made up of approximately 40% transfers in 2021-2022. The majority (160/200) of the transfer students come to Era from Gainesville ISD. The remaining transfer students come to us from various surrounding school districts.

There is a strong sense of family in Era ISD. The school is the hub of the Era community and is strongly supported by parents and community members.

Our enrollment is made up of approximately 84% White, 12% Hispanic, and 4% Two or More Races. 36% of Era's students qualify as Economically Disadvantaged, 1.5% are English Learners, and 12% are students receiving special education services.

### **Demographics Strengths**

- Small numbers per grade level and small class sizes in most areas
- Percent of students who transfer into our school district reflects the quality of our district.
- Representation of students receiving special education services is reflective of student enrollment

### Problem Statements Identifying Demographics Needs

**Problem Statement 1:** With an increase of 125% over last year, our population of students identified with dyslexia is rising, which brings a higher number of students with higher needs. **Root Cause:** Dyslexia now falls under special education, which is increasing the number of referrals and impacting where and how services must be provided.

**Problem Statement 2 (Prioritized):** Ensure participation in Gifted and Talented (GT) is reflective of the student population. **Root Cause:** The process for testing needs a wider net to ensure students are not missed in the identification process.

Problem Statement 3 (Prioritized): Era ISD does not provide a Pre-Kindergarten program. Root Cause: The district has been on an allowable waiver for three years.

# **Student Learning**

**Student Learning Summary** 

\*See Addendum for complete STAAR data report that contains comparison data.

2019 State data is used due to the 2021 data not being used for accountability due to COVID-19.

\*See Addendum for current HB3 Board-adopted goals.

### **Student Learning Strengths**

- STAAR Reading Data from 2019 shows 6- and 7-point gains in 7th and 5th grades respectively.
- EOC Biology and US History were at 100% and 98% respectively in 2019
- Era ISD ACT scores exceed the state average in all areas

### Problem Statements Identifying Student Learning Needs

**Problem Statement 1 (Prioritized):** Review of 2021 CCMR shows a need to focus more on this area with specific strategies to increase number of graduating Seniors who are CCMR. **Root Cause:** An impact from COVID was felt in regards to the opportunities students had to take tests like ACT, SAT, TSIA, and IBCs. This, in combination with a lack of focus on the area of CCMR has caused a decline in this area.

# **District Processes & Programs**

### District Processes & Programs Summary

In the spring of 2021, the Era ISD teachers, staff, students, parents, and community engaged in a Strategic Planning process that resulted in the creation of a new Vision, Mission, and Belief Statements. A Balanced Scorecard (BSC) was then created based on the target areas identified in a SWOT Analysis (Strengths, Weaknesses, Opportunities, and Threats). This BSC is now the foundation for all of the work we are doing in Era ISD. It is helping to establish and/or tighten district processes and programs by holding district leadership accountable to the work outlined in the BSC.

\*\*Please see the BSC for more detail in the Addendums.

### **District Processes & Programs Strengths**

The strengths in this area fall under the establishment of the Strategic Plan: Balanced Scorecard. By bringing stakeholders together that represent all groups, we were able to establish what is important to the community and set our goals accordingly. Once our goals were identified, we were able to begin the work of establishing Performance Objectives, Key Strategic Actions (Inputs) and Progress Measures (Outputs). We then set Long-Term Desired Outcomes and annual targets.

Through this work, the District Leadership Team (DLT) has been able to identify areas where we have processes in place that may need to be revisited for consistent implementation. The DLT has also identified areas where we need to establish processes. This is a work in progress that is monitored by monthly reporting to the School Board and posted publicly on the District website.

### Problem Statements Identifying District Processes & Programs Needs

**Problem Statement 1 (Prioritized):** There is a lack of consistency with the implementation of processes in various areas of the district. These include finance, human resources, and academics. **Root Cause:** There are definitely pockets where processes are being followed but there has not been a method of memorializing those processes across the district.

# Perceptions

### **Perceptions Summary**

Era ISD is working to establish a culture of shared beliefs by continuing to focus on the Balanced Scorecard (BSC), which contains our Vision, Mission, and Belief Statements formulated by our stakeholder group in the spring of 2021. District leaders are consistently encouraged to use the BSC as the foundation by which decisions are made from programming to finance. With a shared set of values and beliefs, the work is aligned and students benefit.

The community of Era strongly supports the school district and holds the teachers and staff in high regard. There is pride in the fact that the staff operates as family and has high moral standards, which are conveyed to students.

### **Perceptions Strengths**

- Sunshine Committee was expanded in 2021-2022 to encompass both the elementary and secondary campuses. This is helping to bring staff together as everyone is shown appreciation across the campus.
- Sense of community
- Shared core beliefs

### **Problem Statements Identifying Perceptions Needs**

**Problem Statement 1 (Prioritized):** There is a need for a district-wide character education program. **Root Cause:** The elementary campus has been implementing character education lessons but there is not a district-wide component that involves all students.

# **Priority Problem Statements**

Problem Statement 3: Review of 2021 CCMR shows a need to focus more on this area with specific strategies to increase number of graduating Seniors who are CCMR. Root Cause 3: An impact from COVID was felt in regards to the opportunities students had to take tests like ACT, SAT, TSIA, and IBCs. This, in combination with a lack of focus on the area of CCMR has caused a decline in this area.

Problem Statement 3 Areas: Student Learning

Problem Statement 4: There is a lack of consistency with the implementation of processes in various areas of the district. These include finance, human resources, and academics. Root Cause 4: There are definitely pockets where processes are being followed but there has not been a method of memorializing those processes across the district. Problem Statement 4 Areas: District Processes & Programs

**Problem Statement 5**: There is a need for a district-wide character education program.

Root Cause 5: The elementary campus has been implementing character education lessons but there is not a district-wide component that involves all students. Problem Statement 5 Areas: Perceptions

Problem Statement 1: Ensure participation in Gifted and Talented (GT) is reflective of the student population.Root Cause 1: The process for testing needs a wider net to ensure students are not missed in the identification process.Problem Statement 1 Areas: Demographics

# VISION: Together, We Empower

Students

# **MISSION:**

A Community Dedicated to Equipping and Empowering Students for a Lifetime of Success

# ERA ISD STRATEGIC PLAN 2021-2026

# In Era ISD We Believe...

- *Students* are at the center of our work and will be instructed in a way that maintains the flexibility to engage in a variety of programs, and with that freedom, the student shall accept the responsibility of maintaining the integrity of Era ISD.
- **Parents and Families** should be the greatest of advocates for their children, flexible, involved, encouraging, and seek to partner with, and support our teachers as an investment in the future success of our students.
- *Faculty and Staff* are respected role models in our community who challenge themselves and our students to be continual learners in a way that supports them in and out of the classroom to equip our children for success in life.
- **Campus Leaders** are trustworthy, committed and invested in our students and community, and hold themselves and others accountable in a way that inspires and empowers.
- **The Superintendent and Central Office Staff** are servant leaders who demonstrate integrity, transparency, and open communication in a way that values diversity and directs resources towards the overall mission while maintaining accountability to all stakeholders.
- **The School Board** members are trusted leaders with integrity who are actively involved in the community while providing checks and balances, adherence to the chain of command, strong financial stewardship and always acting in the best interest of Era ISD students.
