

SCHOOL-CONNECTED ORGANIZATIONS

The School Board recognizes that parents/guardians may wish to organize clubs for the purpose of supporting the educational program and/or extracurricular programs such as athletic teams, debate teams, and musical groups. The Board supports such activities and welcomes parental interest and participation. Parent/guardian clubs shall be especially careful not to seek advantages for the activities they support if those advantages might be detrimental to the entire school program.

The Board recognizes that these organizations are independent of the school or district. In order to protect the district and students, the Superintendent or designee shall establish appropriate controls for the relationship between such organizations and the district. Groups desiring to be recognized as school-connected organizations shall request authorization from the Board in accordance with conditions established in administrative regulations.
