

CTE (Vocational Building) Renaming Process

Brownwood ISD is continuously looking for ways to honor our history while embracing our future. We have initiated the process of naming our Career and Technology Education Building (Vocational Building) at Brownwood High School.

Following Board Policy CW (LOCAL), the following schedule is established:

February 8, 2021 – June 11, 2021

- District will receive nominations through our website, email, regular mail, or hand-delivered document.
 - A facility may be named after a person who has served the District or community, especially in service to children.
 - A facility may be named after any local, state, or national heroic figure.
 - A facility may be named after a local residential or geographic area or a state or national landmark.
- Nomination received: Dusty Moore Vocational Building

August 2021

- District and community members present to the Board of Trustees the nomination and justification for renaming; Board agenda item

September 2021

- Board of Trustees may choose to take action to rename building
