OFFICIAL COMMUNICATION

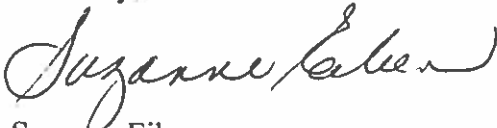

Date: February 26, 2018
To: Board of Trustees
From: Suzanne Eiben
Subject: TASB Local District Update 2017.02

The review of the Palestine ISD local policies has been completed. As a result of the Policy Review Sessions completed on September 21, 2017, there have been various policies that are to be repealed, added, or revised.

It is recommended that the board blanket repeal the local policies contained in the current manual and adopt/readopt all (Local) policies found in the revised, reprinted manual.

Again, thank you for the opportunity to conduct this review. It was a worthwhile project for us.

Sincerely,

Suzanne Eiben
Assistant Superintendent
