Board Salute

Alyssa Roberts-Kuehl - Turner Elementary School

Submitted by: Megan Czach, parent

Alyssa Roberts-Kuehl is a new staff member at Turner this year. She is an integral part of what keeps the new drop-off and pickup lines running very smoothly. She greets everyone with a smile and either a good morning or a good afternoon.

Even though we have many families, she has gotten to know who is who, which is extremely caring and helps keep things flowing. For her efficiency and caring, I believe Alyssa deserves a Board Salute.
