- Ramps/ Title Building: A concern was stressed that the doors on the Title building have not yet been reversed to be ADA compliant for our staff member in a wheelchair. A parent noticed that the new ramps that were put in are no longer securely set on the ground and that the gravel has shifted leaving certain supports suspended. Maintenance tickets submitted for Title, ramps will be submitted by 11-29-2022.

Instruction/Academic Data:

- Enrollment- on-site, online= 368, with 11 on TVOS
- **Title Update - November 21st, 2022**

Title is still down 1 assistant position, but we have been able to fill in with a consistent substitute. Progress Monitoring has begun for our students who fall in the lowest 20% of their grade level. This data is collected every 2-3 weeks and reviewed to make sure the intervention matches the needs of the student and that they are showing growth. If growth is not occurring, a change is made. We wrapped up our Round 1 Intervention groups last Thursday. There are no DD groups today and tomorrow to allow assistants time to get ready for the Round 2 groups which will start on November 28th.

Tammi has been gathering resources to help support teachers with the small groups that occur in the classroom. There are many new items to help with phonemic awareness, phonics, sight words, spelling, and more.

- Boys and Girls Club (Jenna Larkin) no new updates, unable to attend.
- Basketball, sign up- November 1st. Will begin after Christmas break. (K-8)
