HB 496 Stop-the-Bleed Training

HB 496 Stop-the-Bleed Training

Huge success with nearly 100 participants in grades 7-12

Made possible by our BISD Police Officers, Nurses, and strong relationships with our local partners.

With the unexpected amount of student interest, our partners at Ally requested additional help from our department. Within minutes of making the request to Sgt. Kayla Barner, she had a full team signed up and ready to train.

"The safety and security of Bastrop ISD remain our top priority. We are committed to ongoing excellence through rigorous training and active collaboration with our staff, faculty, administrators, families and community. By strengthening community partnerships, Bastrop ISD will continue to enhance the safety and well-being of our schools."

THANK YOU!
