

SCHOOL BOARD MEETING REPORT

Board Meeting Date: 14-May-25

Agenda # _____

Staff/Administrator: Stephanie Allen-Hart

Superintendent: Dave Valenzuela

Type of Item: ☐ *Informational* ☒ *Action*

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

Interdistrict transfer laws require that we set a cap for incoming transfers each school year. The board will need to determine the number of slots open for students transferring in to TRSD for 2025-26. It is my recommendation that we open up 175 slots in all schools and grade levels where we have space and capacity. By opening up more slots this upcoming year, it is our hope we will increase enrollment across the district.

Provide history/background information on your proposal.

Last year we opened up 150 slots and closed 65 in November of 2024.

List the advantages of your proposal:

This procedure follows the current interdistrict transfer laws and policies and allows us as much flexibility to meet student/building needs as possible. We are still able to take students on hardship requests per state guidelines.

List possible disadvantages of your proposal:

Potential impact on staffing ratios/class sizes. However, we will have certain grade levels at the elementary level in various buildings that will be closed to transfers to limit this impact.

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

We could change the number of slots available based on board input.
