**Re:** High School Principal Report November, 2017

---

It was a busy month of October for the high school with fall sports coming to a close, the National FFA Convention, District 3 Marching Band Competition, Red Ribbon Week, ACT tests, Halloween celebrations, and many other activities. Each year we are able to do some fun productive things through our senior projects and one of the senior projects recently held was that of Dakota Kelly's Halloween Carnival at the High School. It was great to see another one of our seniors giving back to the community and providing a safe place for kids to celebrate Halloween here at the High School. We are looking forward to many more productive senior projects completed throughout this school year.
