Administration report-

1. Superintendent- None
2. President- Thank you everyone for being here and all the support we got for our fundraising.
3. Treasurer- I do not have the exact amount but it is less than \$12,000. We currently do not have a debit card but have submitted all the paperwork and are now just waiting to get it. Laura has purchased the approved snacks for the month out of pocket and will submit the recites. There is a budget of \$100 and she spent less than \$65. Josh makes a motion to reimburse her for the snack purchase not to exceed the \$100 budget allowed. Sharlett seconds. All in favor the motion passes.
4. Lead Teacher-The school is a beehive of activities this month. We have a lot of sports going on. Elementary basketball starts next week. We have archery and middle school volleyball going on as well. The older kids' 7th and up did a trash pickup around our community and cleaned up quite a few bags of trash. We are doing new testing grades 3-9 and are looking at what those look like. They are more advanced, but the kids seem to be doing good so far.
5. Sports- There was a Wrestling tournament in Ketchikan. The boys did amazing. We had a lot of people comment on how well behaved and helpful our boys are. We had a Ketchikan teacher who was so impressed by the boys offer of help to hang signs and clean up that he insisted on buying the team dinner and dessert at the Landing Hotel. Archery is going well, and all the kids are shooting good and having fun. John and James are coming out next week and will give the kids a different feel on shooting. They are looking for potential kids to go to nationals. Middle school volleyball is going well. The kids are having a lot of fun and learning a lot. We're looking forward to our games and getting to go to Ketchikan in April. We will be having practice from 3:30 to 4:30 Monday through Thursday.

Old Business-

1. CTE Perkins Plan- None
2. School wide improvement- This is the last year for this, unless it gets extended another year. We have been putting the money to good use. The kids should be getting some new desks, New library books. We just ordered new shorts and knee pads for volleyball. We would like to try and

get some sweaters and t-shirts. Laura is looking at logos. The old camo shop in Craig has all of our old logos. Someone new just purchased the store and moved it to Klawock. We need to check with them about prices.

3. Wellness- Covid restrictions are changing. If your child is sick, please keep them home until they are well again. We may have to test our volleyball players before we go to Ketchikan for our game. We will find out closer to the date.
4. Title 1/ Migrant ed- This is being discussed who will be getting this and how it will be used for the kids.

New Business-

1. Volleyball trip to Ketchikan in April- We will need to investigate finding a church or somewhere cheap to stay so we are not spending a lot of money on lodging. We will need a male chaperone and with the coach and 8 kids it will be spendy to go over. Cutting costs in any way we can be a must.

2. Concessions funds- we have a volleyball game coming up and will be serving pizza at the game as well as nachos and hot dogs. We also have a cotton candy machine that we can do some cotton candy if we have enough sugar and time. We need to order more sugar so that we can have cotton candy at any of our events. It should be a good seller because its not something you see a lot. Tara makes a motion to approve \$100 a month to restock our concessions. Laura seconds. All in favor motion passes.

3. Easter- The school would like to put on an easter egg hunt for the kids of Naukati. We will need to buy some plastic eggs and candy to fill them with. We will also need to buy a couple of 5 dozen packs of eggs for coloring. We would like to host the egg hunt at the steam donkey area by the docks. Were going to get together on April 14 in the evening to color eggs. Then the morning of the 15th we will hide the eggs and have a hunt. Josh makes a motion to approve \$200 for easter supplies. Laura seconds the motion. All in favor motion passes.

The next meeting will be on April 5th at 5:30pm.

The meeting was adjourned at 6:15pm
