- Very productive Summer
- Completed many projects inside and out
- Transitioning into the year.

Comments:

We had a fantastic summer throughout the building! We were able to get to many projects and items that were above and beyond the aggressive schedule I had put in place. My team responded very well and it turned out to be a great summer. We have been transitioning back into the flow of the new school year. We are excited and looking forward to a great 22-23 school year!

Respectfully Submitted,

AJ Krogh
Facilities Manager
