## MEMORANDUM

**To:** Members of the Board of Trustees  
**From:** Aaron Barraza, Government Relations Coordinator  
**Date:** Dec. 10, 2013  
**Subject:** Winton Development

---

Scott Winton of The Winton Group will present future plans for 129 acres of land on the south east corner of Artcraft and Westside Drive. In an effort to keep good neighbor policy and reflect the beautiful landscape of the Canutillo/Upper Valley area, he is seeking district and community input for the development. Initial plans call for offices, apartments, hotel, single family homes, town homes, and plenty of park space.
