Minidoka County School District
Technology Department
August 11, 2019

Student Technology

- Still going through the student laptops from Minico High School on updating and restoring functionality to them.
- Returned Migrant Technology back to previous locations.
- Ordered new devices for this upcoming year for the students.

Summer School

- Summer Finished up on the 16th of July.
- Moved tech that was used during that time back to its original locations

District Technology

- Finished updating list of staff that the machines needed to be upgraded from this past year.
- Our 2019-2020 eRate requests have been submitted and now we are waiting several months for approval. (Update: Had a question for more information and responded quickly)
- Staff leaving finished turning in technology for this past year.
- Minico High School had several labs had their software updated to prepare them for this coming up year.
- New staff devices cleaned up and updated for them that are coming onboard.
- Installed several new cameras out at Acequia Elementary School.

State Testing

- Installing new software for testing on servers for this fall.

Work Orders

- Work orders are combined with Maintenance.
