Re: Summer food donations

Dear Gail and everyone involved in the grub club at St. Mary's;

On behalf of our summer school students and staff I would like to extend our most sincere thank you for the time and effort you all put forth to make lunches for our summer school program. The snack times and lunch were a major success thanks to you! Our students and staff had such praise and gratitude for the food and your part in it.

A quality meal can be the turning point in a students day. The delicious lunches and snacks literally kept students coming back each day so they could earn school credits and get that much closer to our ultimate goal of ontime graduation for every student.

You are so appreciated, we hope our partnership with you can continue in the future!
