12 th							9	6											
TOTAL	42	46	41	35		38	26	25	2										
Completers		1	3	6		8	4	5	1										

Campus Updates:

Wallace PM

The hours for this new extended day program are Tuesday and Thursday evening from 4pm-7pm.

Community members and former students alike continue to show an interest in both GED and high school diploma course work completion.

Wallace Wonders:

- *One of our recent graduates can now take his completed transcript and begin training in the nursing field at one of the local junior colleges.*
- *Another graduate is preparing to have her first child, and also looking over future educational plans.*
- *A Fall Semester graduate reports that he is working on completing his third book of fictional stories.*
- *Another Fall semester completer has already fulfilled his desire – a motorcycle-based business*
- *Our current list of soon-to-be-completers lists around 12 other students who should be done with all course work before semesters end.*

Wallace Accelerated, a 5A Program in a 2A Town
