

Curriculum Report
February 27,2023

Science Curriculum

We have reviewed the following Science Curriculum.

- Science Dimensions -
- -Elevate Science
- Open SciEd Presentation Jr. High Only
- Amplify
- Discover Science

We are hoping to make a decision by the end of April.

Capturing Kids Hearts

Shawna Beckerman was here on February 16th and 17th for traction visits. She spent a ½ day in each building reviewing survey data, and next steps for finishing out the school year and starting the new school year. All schools are making progress in the implementation of the CKH. We will find out if any of our schools will be named a CKH Showcase School in April.

State Testing

We have an infrastructure test for IAR on March 15th and Pana Jr. High and Lincoln Elementary School. This is to test our wifi network and our chromebooks to make sure everything is working for testing. We will begin testing the following week .direc
