Ms. Jennifer's School Counseling Office

Greetings!

In April we finished up our lessons on bullying. In K/1 we also worked on how to play fair and have fun with our friends. In 2nd - 5th grade we worked on what it means to be responsible for ourselves and our actions. In May we will review mindfulness and tools in our K/1 classes and begin looking into careers K-5.

May is state testing for 3rd - 5th graders. Please ensure that you students are getting lots of rest, eating well and drinking lots of water. This season of testing can be stressful for some kids. I encourage you to incorporate some mindful activities, outdoor walks, or whatever is a favorite activity for your family to help alleviate the possible stress and to create an opportunity for conversations about how to cope with whatever worries might be bubbling up.

If you have any questions or concerns about your student feel free to contact me. You can also fill out a [counseling form espanol](#) to request a meeting.

Mrs. Duer's P.E. Class

April has been a busy month in PE! We moved to music and focused on rhythm with a cardio drumming and dance unit. We also have learned to play a version of kickball, which will come in handy as we transition into a t-ball/softball unit as we transition into May.

Volunteers are still needed for field day on the afternoon of June 9th and a 4th/5th grade track meet scheduled at the Neah Kah Nie High School Track for June 13th. Please email Ali Duer at alid@nknsd.org if you are interested in volunteering for these events.

Family Resource Center
