Mr. Pearcy - I am attaching the requested information concerning the ESSR Grants.

I have attached a revenue report of the funds received so far. I then have an excel spreadsheet that shows the ESSR I items reimbursed this far. You will also see a Grant Spreadsheet that shows the ESSR Digital Equity and what we spent those funds on. The biggest report is the ESSR II and III funds that we have spent thus far. As you can see we have only received around \$213,000 for the ESSR I and \$8,324 for the CARES Digital. The ESSR II and III grants we have not received funds yet.
