

Cameron Elementary School  
Principal's School Board Report  
May 19, 2025

**April 30** - Theresa Stanley, our CESA 11 Reading Specialist, met with 3rd and 4th grade teachers to continue on the curriculum transformation and to plan for the 2025-2026 school year. We are introducing a new writing supplement that we are excited about. The name is, Mystery Writing.

**May 5-9** - Staff Appreciation Week - I would like to thank our staff for all of the excellent work they do with our students. Our staff is well respected, not only throughout our community, but throughout the area. We are very proud to have you on our team.

**May 8-21** - We are having our grade level student transition meetings. During this meeting, we move students from their 2024-2025 grade level into classrooms for the 2025-2026 school year.

**May 13 & 15** - Our PTO sponsored a Breakfast With A Buddy. Students had the opportunity to invite a buddy to eat breakfast with them on either May 13 or May 15. Students in grades 3 & 4 ate on May 13 and students in grades K-2 attended on May 15. They had muffins, orange juice, milk, or water to choose from. It was a huge success. Between the two days we had over 480 people attend. I would like to thank our PTO and our Cameron community for making this a fun event.

**May 14** - Cameron middle school and elementary school staff met to discuss the 4th grade to 5th grade student transitioning to middle school. This is something we started a couple of years ago to try to improve the start of the school year for 5th grade students and teachers.

**May 16** - Cameron Elementary Track and Field Day was held. I would like to thank Mr. Christianson for organizing such a fun event. Our whole staff plays a big role in this and I would like to thank everyone.
